USER'S guide

PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1. **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2. **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3. **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
- 0 = No International Rights restriction;
- 1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
- 0 = No Content disclaimer;
- 1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
- 0 = Product will ship according to schedule;
- 1 = Product may ship an additional 60 days beyond scheduled ship date;
- 2 = Additional 90 days beyond scheduled ship date;
- 3 = Additional 120 days beyond scheduled ship date;
- 4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

MANGA MONTH 2012!

Here it is, March (well, February as I'm writing this), and we're ushering in another Manga Month for the month of May! Our our annual showcase for the popular comics artform is back with plenty of new and classic titles available, along with some special editorial features to go along with the manga madness!

This year, like previous years, we have another great selection of Manga to offer you throughout the issue, including offerings from Dark Horse, Del Rey, Digital Manga, Drawn+Quarterly, Fantagraphics, Gen Manga, Kodansha, Seven Seas, SuBLime, UDON, Viz Media, Vertical Inc., and Yen Press, representing a host of new and ongoing titles from Japan, China, Korea, and the U.S.

And if you flip this issue over and turn to the "FlipSide," you'll find our exclusive Manga Month interview with Dark Horse Comics' Manga Editor, Carl Horn!

Also, be sure to check out our **Books** section for more publications about manga, manga artists, and Japanese pop culture!

If you've never read manga before, give it a chance… you may just find something unique and different to enjoy, something you never knew existed!

Just look for this icon 読漫画 MANGA MONTH throughout this issue for a wide variety of manga!

This month's featured creators is...

JUNKO MIZUNO

I'm an artist who does comics, paintings, illustrations and toy designs. I was born in Tokyo in 1973 and have been drawing ever since I can remember. I already wanted to become a professional artist when I was three, and the dream came true 20 years later. The main thing that influenced me was '70s Japanese cute culture such as girls' comics, animations, toys and Sanrio merchandise, but I was also influenced a lot by different art forms from different countries as I was developing my art style.

What are your favorite projects you've contributed to over the past decade?

It's very difficult to pick as all my projects are important for me... The projects that felt different and unusual for me were: Designing a Piñata for an exhibition in Mexico, taking part in Sanrio's 50th anniversary art exhibition, doing my version of Spider-Man for a Marvel anthology book, designing *My Little Pony* for Hasbro, and collaborating with Fornarina, an Italian apparel company on products and installation for their fashion show.

What are you currently working on?

I'm working hard on the paintings for my next solo show that runs starts from March 16th at Narwhal art project in Toronto. Am also working on my new website, volume 2 of the US edition of my graphic novel *Little Fluffy Gigolo Pelu*, some gig poster designs, my new art book etc., etc. ...

LEAVE IT TO ME!

HULK AND THE AVENGERS WILL TRADE BLOWS THIS MAY IN A FIVE-PART EPIC

Immensely powerful, his strength fueled by a primal rage, the Incredible Hulk's alter ego Dr. Bruce Banner was the victim of exposure to the dangerous radiations of the Gamma Bomb, dooming him to transform into the hulking brute. A misunderstood monster, hounded by the military and by Earth's heroes who seek to contain his rage, the Hulk's story has been intertwined with that of the Avengers since the very beginning of the Marvel Universe, and in this summer's Avengers movie the Hulk works alongside the team as they battle to save the Earth. Coinciding with Joss Whedon's long-awaited blockbuster, Marvel Comics takes a look back at the Hulk's contentious relationship with the Avengers with the five-part mini-series, *Hulk Smash Avengers!*

Shipping weekly, each issue of *Hulk Smash Avengers* will take a look at the Hulk and the Avengers through the five decades of their shared history. Kicking off the series, Tom DeFalco and Ron Frenz team in issue #1 for an untold story of the Hulk and the Avengers — Captain America, Thor, Iron Man, Giant-Man, and Wasp — in the 1960s at the dawn of the Marvel Age. In issue #2, Joe Casey and Max Fiumara jump ahead a decade into the 1970s as the Hulk tangles with Iron Man, Wasp, Vision, and the Beast. Roger Stern and Karl Moline take readers into the 1980s for issue #3 as the Hulk crosses paths with Captain America, Thor, Iron Man, Hawkeye, the Wasp, Hawkeye, and Captain Marvel. In the 1990s, the West Coast Avengers — Iron Man, Wonder Man, Mockingird, Tigra, and Hawkeye — pay a visit to Las Vegas, where they come into conflict with the Hulk's casino bouncer alter ego, Mr. Fixit, in issue #4 by Jim McCann and Agustin Padilla. Finally, the Mighty Avengers — Black Widow, Wonder Man, Ares, Sentry, and the Wasp — confront the rampaging Red Hulk in the 2000s in the concluding issue by Fred Van Lente and Michael Avon Oeming!

Hulk Smash Avengers is five issues of the Marvel Universe's top super-team going toe-to-toe with a monster that metes out damage and can absorb even more. With these characters appearing in movie theaters this summer, *Hulk Smash Avengers* will show new readers the long, tangled history between the Hulk and the Avengers across the years and give long-time fans untold chapters in their saga. Five issues, five top-flight creative teams, shipping weekly, all adding up to exciting storytelling as only Marvel can tell it in *Hulk Smash Avengers* this May!

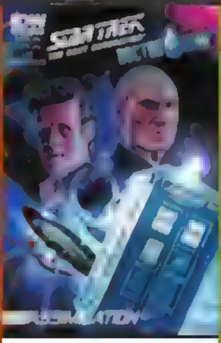
STAR TREK AND *DOCTOR WHO* FINALLY MEET THIS SPRING

Two of science fiction's greatest franchises finally meet this May in IDW Publishing's *Star Trek: The Next Generation/Doctor Who: Assimilation²*! When the Borg and the Cybermen join forces to conquer the universe, it will be up to Captain Jean-Luc Picard, the eleventh Doctor, the crew of the *Enterprise*, and the Doctor's companions to defeat the alliance and save all of creation! It's the story science-fiction fans have wanted for decades, and it's only in comics!

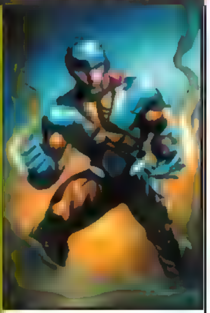
☐ IDW PUBLISHING, $3.99, [illegible] Pages, Page 151



A VISIGOTH WARRIOR RETURNS IN VALIANT'S *X-O MANOWAR*

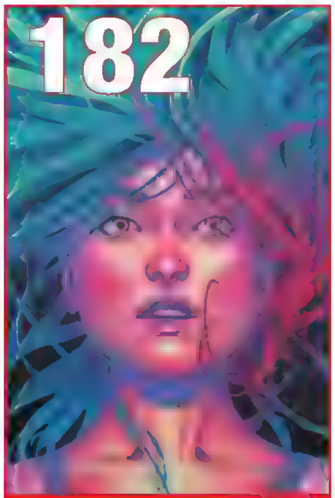
Twenty years ago Valiant Comics changed the face of comics history with a new universe of new heroes from a new publisher that challenged the hegemony of the marketplace. This May, the Valiant Age of Comics returns with the all-new *X-O Manowar* #1 from Robert Venditi and Cary Nord. Given a weapon of incredible power by aliens, a Visigoth barbarian becomes the ultimate warrior to save his life — and return to his family!

☐ VALIANT COMICS, $3.99, 32 Pages, Page 327



TRAPPED IN A COMA, A WOMAN MUST FIND HER ATTACKER IN *MIND THE GAP*

A young woman, Elle Peterssen, is brutally attacked on a Manhattan subway platform. In a hospital, her body lies in a coma, her mind gone. In the subway tunnels, a spirit lurks, the disembodied and shattered consciousness of Elle, as she tries to work out who attacked her and why. Can Elle's spirit solve the mystery of her near-death? Will her body survive? Can she return to her own body and live out the rest of her life? These are the questions at the heart of Mind the Gap, a new supernatural thriller by Jim McCann and Rodin Esquejo (*Morning Glories*) from Image Comics, coming this May! Combining the sensibilities of Twin Peaks and The X-Files, Mind the Gap is a psychological thriller in which the victim must solve the crime committed against her without the benefit of being able to interact with the evidence or question the witnesses. There's nothing else like it in comics, and Mind the Gap begins this May!



☐ **IMAGE COMICS, $2.99, 48 Pages, Page 182**

EISNER AWARD-WINNER JIM MCCANN UNLEASHES HIS NEW PSYCHOLOGICAL THRILLER THIS MAY!

THE FATE OF THE EMPIRE RESTS IN THE HANDS OF AN IMPERIAL CADET

In the aftermath of the Clone Wars, the Emperor Palpatine consolidates his control over the Imperial Navy by installing a new officer corps to command the Starfleet's ships. The first graduating class of the Imperial Age is ready to take its place aboard the Star Destroyers, but a terrorist attack by rebels against Palpatine's rule disrupts the ceremony. The Emperor's right hand, Darth Vader, takes charge of the investigation into the attack and, along with a survivor of the graduating class, vows revenge on the Empire's enemies in *Star Wars: Darth Vader and the Ghost Prison*, a new mini-series from Dark Horse Comics! Haden Blackman, the writer of *Star Wars: Force Commander* and *Star Wars: Force Unleashed*, is joined by artist Agustin Alessio for an intense five-issue exploration of loyalty and vengeance set in the period between the Prequel and Original Trilogies. Look for *Star Wars: Darth Vader and the Ghost Prison* in May, and take a dark journey into a galaxy in transition!

CELEBRATE A POPULAR ARTFORM WITH *PREVIEWS*' "MANGA MONTH"

読漫画
MANGA MONTH

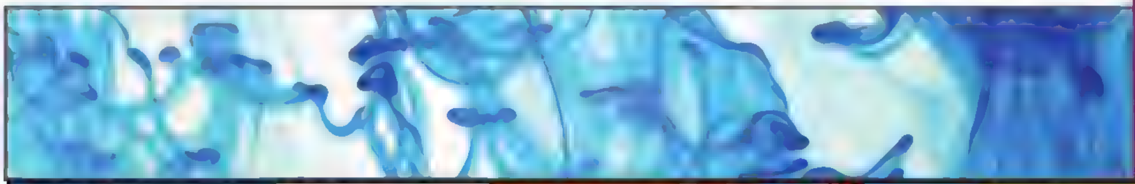
This month, *PREVIEWS* celebrates "Manga Month," a time when fans of the art form can celebrate with a multitude of comics, graphic novels, trade paperbacks and more, while newcomers to manga can discover what makes manga so special!

Over the past few decades, manga has gone from a little-known form of Asian entertainment to a worldwide, literary phenomenon, crossing over into the mainstream and influencing everything from comic books & movies to video games & fashion. Imported largely from Japan, China and Korea, the style has enthralled readers of all ages, genders and economic backgrounds, and American consumers in particular have embraced manga for its diversity, creativity and raw energy.

Like comic books, TV and movies, manga is visually dynamic, and it shares with those mediums the ability to explore a wide variety of genres. Consumers can choose from horror, humor, romance, sci-fi, fantasy, urban action and even sports, all told with the verve and vitality that has made manga the international blockbuster it is!

PREVIEWS' Manga Month focuses on the publishers and creators that fuel readers' enthusiasm for the Asian-influenced art form. Featuring a mix of material imported from overseas and created by American artists inspired by manga, the products offered during Manga Month represent some of the best in the market, and are certain to find favor with established manga-maniacs and new converts alike. Look for the "Manga Month" icon to start your own journey of discovery into the world of manga!

LOOK FOR THE MANGA MONTH LOGO THROUGHOUT MARCH'S PREVIEWS AND DISCOVER WHY MANGA IS SO COMPELLING AROUND THE WORLD!



One of the top newspaper comic strips today is Richard Thompson's *Cul de Sac*, a guide to life as seen through the eyes of a suburban four-year-old girl, Alice Otterloop. Thompson was diagnosed with Parkinson's Disease in 2009, and Andrews McMeel's *Team Cul De Sac* is both a celebration of Thompson's work by an all-star line-up of artists and a fundraiser for the Michael J. Fox Foundation for Parkinson's research.

SPIDER-MAN SUITS UP THIS SUMMER, AND SO CAN YOU WITH MAD ENGINE'S NEW T-SHIRTS

366 & 367

This summer Sony Pictures relaunches Spider-Man, one of the most popular film franchises of all time, in the brand-new motion picture blockbuster, *The Amazing Spider-Man!* Starring Andrew Garfield (*The Social Network*) as high school student Peter Parker and Emma Stone (*Easy A*) as Gwen Stacy, *The Amazing Spider-Man* turns back the clock to when Peter Parker discovered that he had the proportionate strength and abilities of a spider and made his debut as New York City's masked hero in a dangerous battle against The Lizard.

Spider-fans can refresh their wardrobes before the movie's July debut with two new *PREVIEWS* Exclusive t-shirts from Mad Engine based on the film! The *"Saul Good" Silver T-Shirt* depicts Spider-Man swinging over New York and his film's logo in a stylish design that evokes a timeless feeling, while the *"Hang Time" Black T-Shirt* shows Spider-Man hanging upside down from his incredibly strong webbing superimposed over the movie's spider-symbol. Suit up with Mad Engine's Spider-Man t-shirts this summer and swing into action alongside The Amazing Spider-Man!

A GAME OF THRONES COMES TO LIFE WITH DARK HORSE'S NEW BUST 67

Exiled from the Seven Kingdoms when her father was driven from the Iron Throne and his family killed, Daenerys Targaryen is the last in the line of Westeros' Targaryen royal blood. Portrayed in HBO's *A Game of Thrones* by Emilia Clarke, Daenerys is naive in the ways of the world yet growing in her understanding of her role. Dark Horse Comics creates a magnificent sculpt of the character for their *Game of Thrones: Daenerys Bust* that stands 7" tall and features a baby dragon perched upon her naked shoulder!

FUNKO'S POP! SPIDER-MAN DEFENDS THE URBAN LANDSCAPE 422

This summer Marvel Comics' arachnid hero Spider-Man swings back into movie theaters in Marc Webb's new *Amazing Spider-Man* film with actor Andrew Garfield under the mask. Funko celebrates the new Spider-Man with a new piece in their POP! Heroes figure line, the *POP! Heroes: Amazing Spider-Man Vinyl Figure!* Standing 3 3/4" tall, this cute figure of Spider-Man features the movie costume's look in an urban style. With this summer's movie, Spider=Man has never been bigger, so pick up this figure and display it on your desk!

NOW YOU CAN STORE YOUR LEGO MINIFIGS IN STYLE 391

Many adult collectors of LEGO have vast collections of unique and customized LEGO minifigs. But what to do with these minifig collections? Schylling has created the *LEGO Minifigure Display Cases*, perfect for displaying those figures. Made of the primary LEGO colors of Black, Yellow, Red, and Blue, these cases, which can hold 8 or 16 minifigs in the Small or Large sizes respectively, can stack like LEGO bricks or be mounted to the wall to create a cool plastic shadowbox-like display!

DAMMIT, JIM, I'M A MAXI-BUST, NOT A DOCTOR 413

Over the past forty-five years, millions of science-fiction fans have thrilled to the adventures of the starship *Enterprise* in Gene Roddenberry's classic series *Star Trek*, drawn as much to the adventure as to the characters. Titan Merchandise celebrates the fan-favorite characters with the latest piece in their *Star Trek Masterpieces Collection*, the *Dr. Leonard McCoy Maxi-Bust*. A solid and dynamic piece that stands 8" tall, Titan's bust features an impressive sculpt of actor Deforest Kelley that will impress every *Star Trek* fan!

BATMAN'S GREATEST FOES HAVE ESCAPED FROM ARKHAM CITY 147

Gotham City came to life as never before in the best-selling video game *Batman: Arkham City*. This summer, DC Direct brings two of the game's characters out of the game and into the hands of fans and collectors with the *Batman: Arkham City Deluxe Action Figures*. Featuring detailed sculpts taken directly from the game's CGI files, these figures of Mr. Freeze and Killer Croc are the most realistic depictions of these Batman villains ever created. Whether you played the game or love Batman, these *Batman: Arkham City Deluxe Figures* are something that no fan can miss!

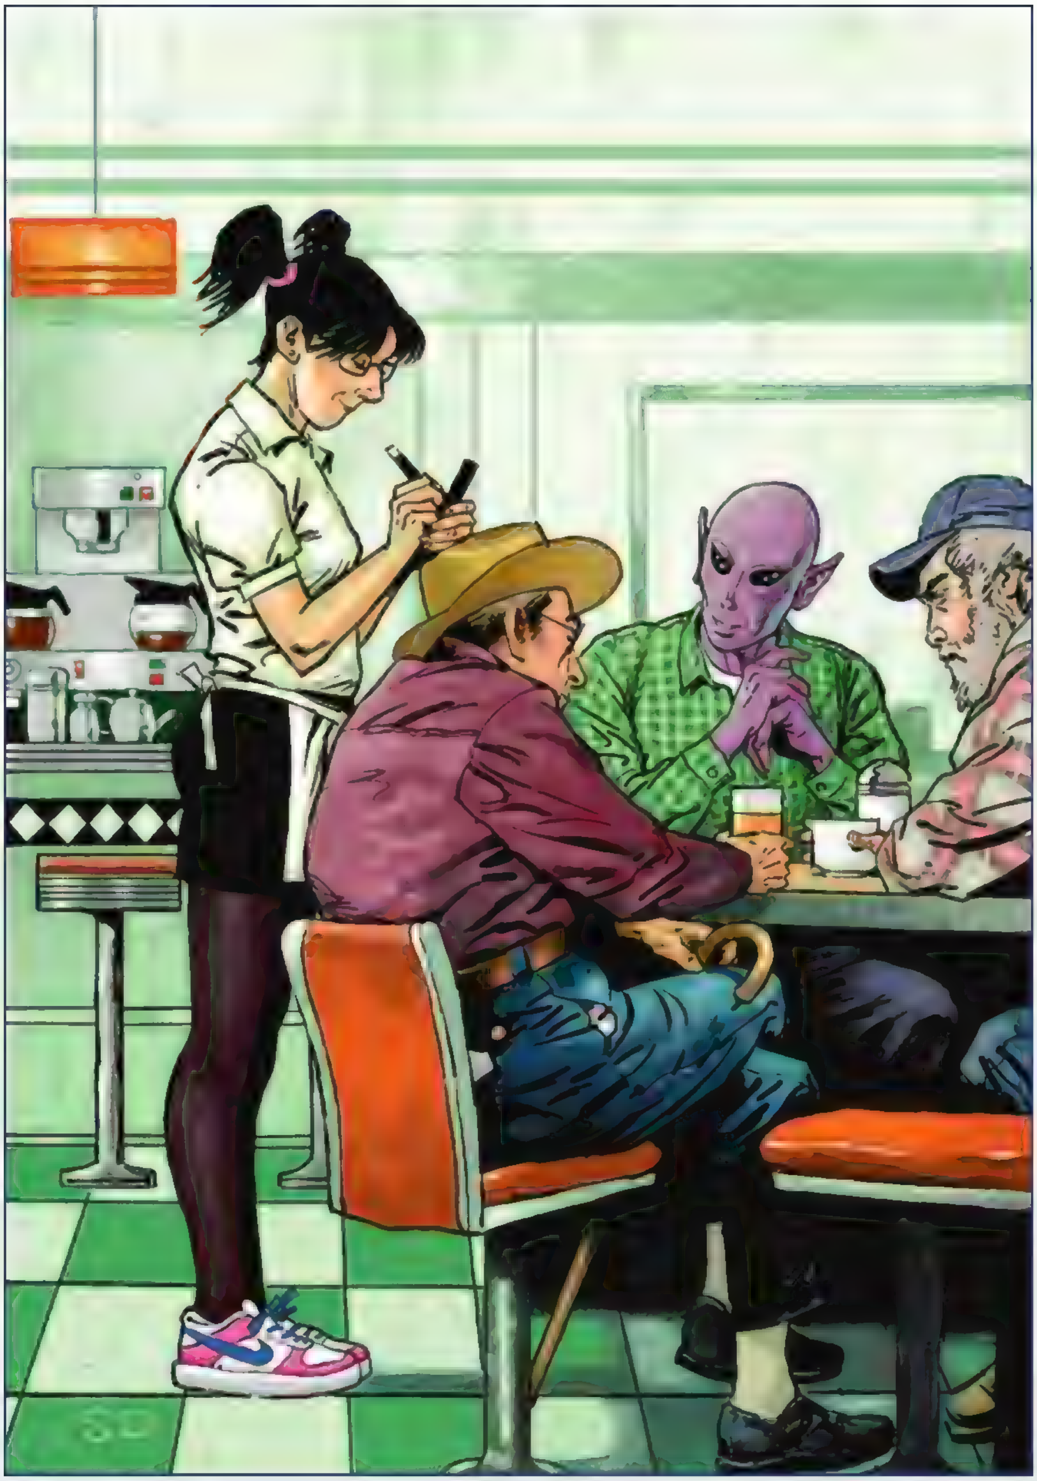
AN ALIEN WALKS AMONG US!



RESIDENT ALIEN #1

Peter Hogan (W) and Steve Parkhouse (A/Cover)

On sale May 23	FC, 32 pages
$3.50	Miniseries

A stranded alien seeks refuge in the small town of Patience, USA, where he hides undercover as a semiretired doctor, masking his appearance using his unique mental abilities. Now known as Dr. Harry Vanderspeigle, all the alien wants is to be left alone until he's rescued. However, when the town's *real* doctor dies, "Dr. Harry" is pulled into medical service—and also finds himself smack dab in the middle of a murder mystery! He'd rather be fishing. Acclaimed creators Peter Hogan (*2000 AD*, *Tom Strong*) and Steve Parkhouse (*The Milkman Murders*, *Doctor Who*) deliver a truly unique sci-fi adventure tale!

➤ **From the writer of *Tom Strong* and the artist for Alan Moore's *The Complete Bojeffries Saga*!**

When the seas rose, genetic codes were smashed. Human settlements are ringed by a dense wilderness from which ferocious new animal species prey on the helpless. The high ground belongs to the rich and powerful that overlook swampland shantytowns from their fortress-like cities. Iron-fisted rule ensures order and allows the wealthy to harvest the poor as slaves.

Delve into the first chapter of *Orchid*, the tale of a teenage prostitute who learns that she is more than the role society has imposed upon her.

Trevor's monstrous little brother lives in the barn behind the house. The boy's only six years old, but he towers over his older brother, and possesses incredible strength. For years, Trevor has looked after his baby brother, keeping him from the light, but now that's all about to change. His family's secret is about to be revealed, uncovering the horrible truth of the small midwestern town the boys have grown up in.

The celebrated pre-Code *Crime Does Not Pay* comics are finally collected into a series of unflinching and uncensored deluxe hardcovers! The infamous *Crime Does Not Pay* stories, focusing on criminal scum, nefarious mobsters, and urban legends, made *Crime Does Not Pay* one of the most popular comics of the 1940s. This series was a favorite target of censors and is partially responsible for the creation of the stifling Comics Code Authority! Revered, influential, and very hard to find, *Crime Does Not Pay* issues #26 to #29 are collected for your enjoyment and education!

HELMETGIRLS:

THE ART OF CAMILLA D'ERRICO VOLUME 2 HC

Camilla d'Errico (W/A)

On sale July 18	FC, 112 pages
$24.99	HC, 8 1/2" x 11"

Camilla d'Errico is a powerful voice in pop surrealism, her work combining diverse influences in imagery both singular and hauntingly familiar. Compelling and deeply personal, *Helmetgirls* documents Camilla's art and lifestyle brand that fuses manga, steampunk, and fine art into an original and meaningful aggregate. Gargantuan biomechanical headgear adorns beautiful, wide-eyed, and seemingly fragile girls. More than just decoration, the helmets express each girl's character, needs, and desires. Look deeply into the Helmetgirls' eyes—they have a story to tell.

- **Camilla's art has appeared in major pop-culture magazines and in galleries around the world.**
- **Camilla's work supports a diverse product line.**
- **Value-priced, quality hardcover format.**

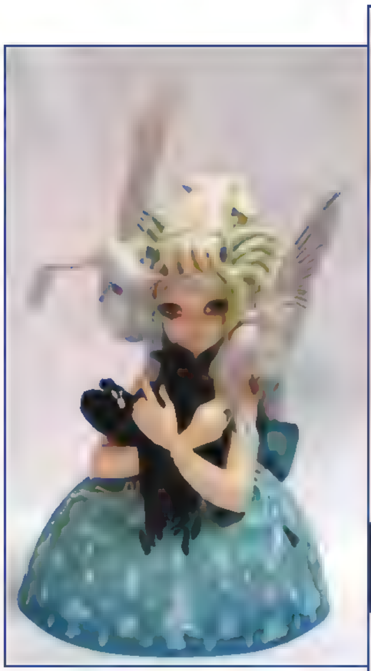
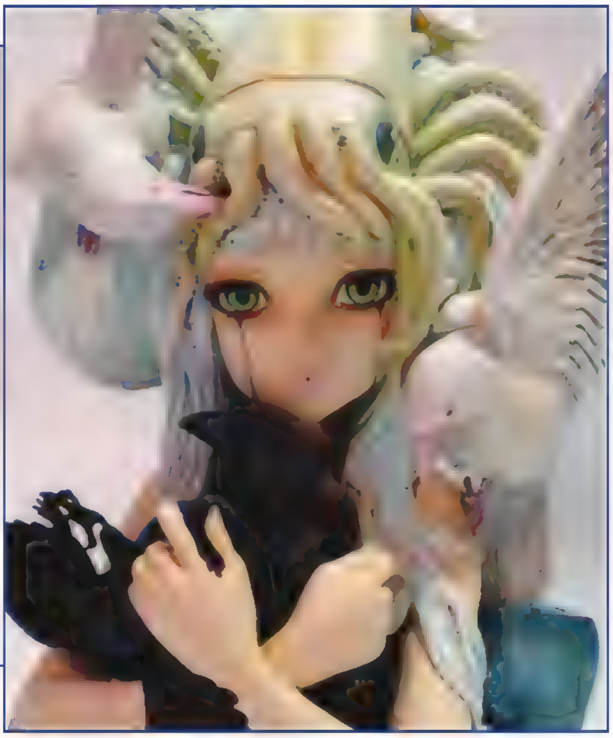
NO ORDINARY LOVE BUST

On sale June 27
Approximately 8" tall and 5" wide
Limited to 950 numbered statues **$125.00**
Comes with a certificate of authenticity signed by the artist

Canadian artist, designer, and graphic storyteller Camilla d'Errico is winning a legion of fans as her career explodes worldwide in paintings, graphic stories, designer toys, apparel, and commercial assignments. Dark Horse is very proud to bring forward her first deluxe sculptural piece, a bust based on her painting *No Ordinary Love*.

"*No Ordinary Love* is a piece that is very dear to me," Camilla d'Errico reflected. "It's the visual interpretation and expression of my feelings for my 'one and only,' so you can imagine how exciting it is that this particular piece was chosen!"





GAME OF THRONES:

DAENERYS BUST

On sale June 20
Approximately 7" tall and 8" wide
Limited edition **$125.00**

Dark Horse Deluxe is proud to announce, in partnership with HBO, a forthcoming limited-edition sculpted bust of the character Daenerys Targaryen, portrayed in the television series *Game of Thrones* by Emilia Clarke. She is depicted with a newly hatched baby dragon on her shoulder, recalling the striking closing scene of season 1.

Sculpting was executed at Gentle Giant Studios. The statue will be a hand-numbered limited edition (edition quantity to be determined). The base design is an elaborate tapestry element from the opening sequence designed to mimic old carved wood.

SNOWFALL AT DAWN TP

Hiroaki Samura (W/A)

On sale July 25	b&w, 224 pages
$19.99	TP, 5 3/4" x 8 1/4"

The showdown that fans have been waiting for begins here, as Manji and Shira finally cross paths! Although he's missing an arm, Manji's mystical healing powers still ensure that he's a formidable opponent—but his greatest foe, the masochistic Shira, has a few depraved tricks up his own sleeves! With Shira deadlier than ever, having had plenty of time to plot twisted revenge schemes, will Manji be able to protect Rin from his deranged nemesis? Plus—an Ittō-ryū warrior dies, in typically dramatic Hiroaki Samura fashion. Samura's widely acclaimed *Blade of the Immortal* manga series has won awards across the globe, including the Eisner Award in America, the prestigious Media Arts Award of Japan, and multiple British Eagle Awards.

- ➤ **Winner of Japan's Media Arts Award, an Eisner Award, and three British Eagle Awards!**

Few works by comic-book artists have earned the universal acclaim and reverence that **Bernie Wrightson**'s illustrated version of **Mary Shelley's** *Frankenstein* was met with upon its original release in 1983.

Nearly 30 years later, Wrightson returns to his passion project with a comic series that picks up at the end of the classic novel, hailed as one of the greatest horror stories of all time. Frequent Wrightson collaborator **Steve Niles** provides the script for this epic, decades in the making.

While appearing to be in black and white, each page was scanned in color to mimic as closely as possible the experience of viewing the actual original art, showing off the exquisitely detailed brush work of one of the greatest living artists in comics today.

Each issue will also include supplemental materials, including interviews, essays and a serialization of the original prose story by Shelley.

Daredevil: Born Again. That title strikes a chord with comic fans who know what it means. Fans who know that it represents two of the finest creators at the absolute peaks of their game. **David Mazzucchelli**'s superhero work had reached an artistic apex when this series was released, and the same is true for **Frank Miller**'s writing. Together they combined to craft a story of extraordinary impact that is still regarded as a true masterpiece.

Collecting the entire storyline of "Born Again," this book will feature the complete issues of *Daredevil* numbers 227, 228, 229, 230, 231, 232 and 233, plus covers and extras. Each page was personally scanned by Mazzucchelli from his own original art. This is the largest Artist's Edition yet, weighing in at a rock solid 200 pages of beautiful Mazzucchelli art in the way you've always wanted to see it–the next best thing to holding the actual original art!

ADVANCE SOLICITED FOR A JUNE RELEASE!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art–for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

Every little boy dreams about putting on a cape and soaring up, up, and away... but what if one day that dream were to come true?

Eric was like every other eight-year-old boy, until a tragic accident changed his life forever. *The Cape* explores the dark side of power, as the adult Eric—a confused and broken man—takes to the skies... and sets out to exact a terrible vengeance on everyone who ever disappointed him.

This critically acclaimed, Eisner-Award nominated story, written by **Jason Ciaramella**, based on the short story by *New York Times* bestselling author **Joe Hill**, with art by **Zach Howard** and **Nelson Daniel**, will linger with you long after you turn the last page, and force you to ask yourself the question: "What if?"

"IF YOU'RE UNSURE ABOUT PICKING UP *THE CAPE* THEN YOU NEED TO ASK YOURSELF ONE QUESTION: DO I WANT A COMIC THAT WILL SURPRISE ME? IF YOU'RE AFTER SOMETHING DIFFERENT, THIS BOOK HAS IT IN SPADES."

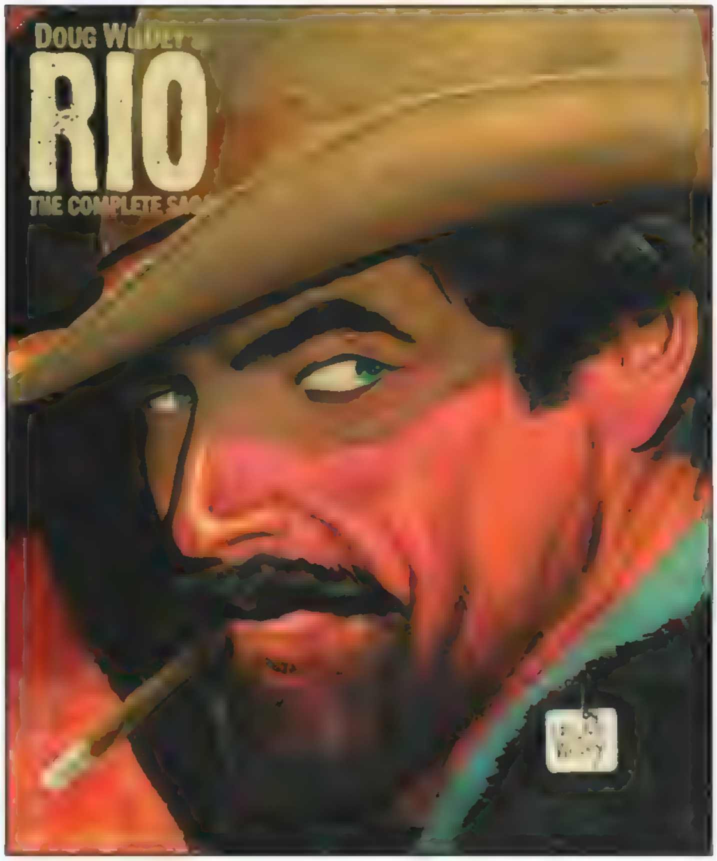
ISBN 978-1-61377-195-2
$59.99

John Buscema has been called one of the finest comic artists who ever put pen to paper. His work for Marvel Comics on *The Avengers*, *Thor*, the *Fantastic Four*, and *Silver Surfer* are all classics, highly regarded by fans from around the world. The same is true for his definitive rendition of *Conan the Barbarian*—Buscema breathed life into Robert E. Howard's legendary creation in a manner that has rarely been rivaled.

IDW is proud to announce the first American publication of *John Buscema: Comics & Drawings*, a special edition of the fine art catalog created for the most extensive exhibition of Buscema's art ever staged. Weighing in at over 300 pages, this gorgeous hardcover book is a dream come true for fans of the visual mastery of John Buscema, an artist who's ilk we are unlikely to see again.



DOUG WILDEY'S RIO: THE COMPLETE SAGA

HC

Doug Wildey (w & a & c)

FC & BW • 272 pages • 9" x 12"
ISBN 978-1-61377-210-2
$49.99

Doug Wildey was an acclaimed Comic book and comic strip artist, as well as a noted animator. Very much in the school of **Milton Caniff** and **Alex Toth**, Wildey was an artist's artist, a storyteller of the highest order, and worked in many genres—westerns and war stories being some of his most memorable. As an animator he created and designed the groundbreaking *Johnny Quest* series in 1964, which inspired a generation of cartoonists with it's memorable characters, thrilling, breakneck pace, and innovative designs.

In 1987 Wildey began one of his most personal works, the story of an aging cowboy and gunfighter. Wildey created stories full of human drama and historical accuracy rarely seem before or since in the comic book western. This volume collects the entire Rio saga in one handsome collection, including the final, unfinished and unpublished Rio story.

The third entry in IDW's "In the Shadow of..." series with noted scholar and award-winning editor **Leslie S. Klinger** (*The New Annotated Dracula, The New Annotated Sherlock Holmes, The Annotated Sandman*) again presents a host of classic genre tales worthy of rediscovery by modern readers!

Les Klinger collects and annotates a lush collection from the Gothic writers who influenced Poe, and the writers who were influenced by him. Here we briefly visit the birth of the Gothic literary tradition in the mid-1700s–a popular genre that Poe reinvented as a commercial vehicle for his own original voice–as well as significant writers whose works adapted Poe's ideas and themes to their own artistic goals.

Question of the Month

"What was your comics gateway drug?"

It was a Batman comic of some kind that included a detailed look at the compartments of the utility belt. I was completely fascinated by the idea of smoke grenades, a mini-camera, batarangs, and everything else all hidden inside these tiny cylinders."

DANGER CLUB

"I picked up Sonic the Hedgehog at K-Mart with my Mom while waiting for my brother Chris to be finished with a birthday party. Hooked ever since!"

REED GUNTHER

"Marvel Super Heroes Secret Wars. It had the best heroes and the baddest villains beating the stuffing out of each other. I was hooked for life."

SACRIFICE

"Star Wars comics, then Rom and Micronauts. Oddly enough, superheroes did not come until later."

CHEW

"Aquaman! Years later, I still have a crush on that shiny goldfish."

THE THIRD DEGREE

JIM McCANN

Jim McCann is the writer of Image Comics' new series Mind the Gap. Other comics he has written include Return of the Dapper Men (Archaia) and Hawkeye and Mockingbird (Marvel). Fun fact about Jim: He also wrote for the ABC daytime drama One Life to Live. He lives in New York City. Follow him on Twitter -- @JimMcCann. His website is www.jimmccannonline.com.

What are you working on right now?
I'm in the middle of three different creator-owned projects at the moment and they are all exciting- one is a secret; the other is the second book in the DAPPER MEN series, TIME OF THE DAPPER MEN; and my first ongoing series at Image, MIND THE GAP.

What's the best part of your job?
The fact that the dream I've had since I was 10 years old has come true. I still get excited every time a new page of art comes in that's a visual of something I've written.

What's the worst part of your job?
I'm a really happy guy, so this is tough. If I had to pick out something I guess it would be that I'm not very good at setting specific "working hours," so I feel like there's not really time off.

How did you first discover comics?
Summer camp. They had comic in the infirmary and I used to pretend I was really sick because then I could read comics. And it had air conditioning.

If you weren't working in comics, what would you be doing?
Probably working in theater. Or busting my butt to get in the door in comics!

What's the strangest thing a fan has ever said to you?
Some guy at a panel asked a question about a controversial storyline Marvel was doing, I answered, and he yelled "You're a coward!" And then he ran out of the room, defining the word coward.

What are you most likely to complain to an editor about?
I'm getting better, but it's hard for me to separate getting notes as being something to make the story better as opposed to seeing it as places I failed the story.

What is the single work of which you're most proud?
RETURN OF THE DAPPER MEN. It was my first time stepping out and telling a story that was purely created by myself (and co-creator/artist Janet Lee) as opposed to working in someone else's sandbox.

Who is the biggest influence on your work?
Probably my dad was. But as for influences on my writing... Ross Macdonald, Raymond Chandler, Richard Stark, Patricia Highsmith, Milan Kundera, Alan Moore, and Johnny Craig.

Own up to one of your guilty pleasures.
Until it was cancelled recently, I loved the soap opera One Life To Live.

What was the last comic book you bought?
Fatale #2

Who would play you in a movie about your life?
Roger Rabbit.

Pick three things you couldn't live without.
Macaroni & Cheese, Dr. Pepper, and oxygen.

What's the strangest thing you have in your house?
I don't know about strangest, but my blind cat is pretty freaking amazing. She is like Daredevil — you'd never know she's blind.

When was the last time you laughed out loud?
All the time, usually something on YouTube involving stars falling on a runway or on stage.

What music are you listening to these days?
A lot of music scores and music from the 40s. Both help me write.

What is your favorite film of all time?
AARGH! I hate picking these! Probably All About Eve. By the time this prints, that answer will probably be different.

Who is your best friend?
My incredible spouse.

What is the worst advice you've ever received?
"No, I swear, you'll LOVE the Goat Cheese in this." (I hate goat cheese.)

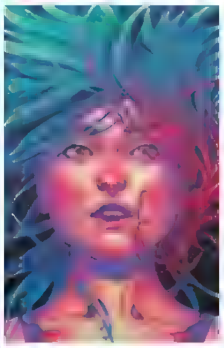
When was the last time you were truly frightened?
When DAPPER MEN went to the printer and I had no idea if people would like it.

Name someone you really admire and explain why.
Katharine Hepburn. She always did things her way. And early in her career, after a few successes and then a few flops, she was labeled "Box Office Poison." So she took her fate into her own hands, bought the film rights to The Philadelphia Story, and made the greatest comeback ever.

What would you like to see happen in comics in the next 12 months?
Fans & retailers taking chances on creator-owned books. If you like someone's work on one of the "Big Two's" characters, come see what they do with their own imagination. A healthier market in general. And for MIND THE GAP to be on issue 12.

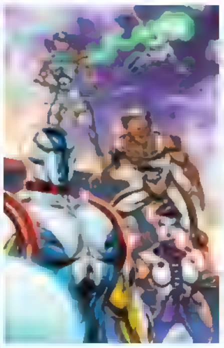
What the world needs now is...
For me to stop rambling. And cheaper airfare so I can see more of it. (the world, not my rambling)

MIND THE GAP #1



After Elle Peterssen is mysteriously attacked on a Manhattan subway platform, she is left in a coma, the only clues to her attacker trapped inside her mind. No one knows the identity of the person behind this brutal beating or where they will strike next. In this ALL-NEW ONGOING series, everyone is suspect, and no one is innocent.

YOUNGBLOOD #71

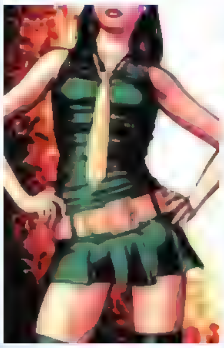


It's the 20th anniversary of the comic book that launched the Image Revolution in 1992! ROB LIEFELD's YOUNGBLOOD returns bigger and better than ever with an all-new look at the next generation of superheroes, courtesy of screenwriter JOHN McLAUGHLIN (Black Swan, Parker), up-and-coming artist JON MALIN and YOUNGBLOOD creator and Image founder ROB LIEFELD!

DANCER #1

Retired assassin Alan Fisher and his ballerina companion must escape a ruthless sniper who stalks them through the streets of Milan. To survive and protect the love of his life, Alan will unravel the tapestry of the past he's kept hidden and discover the killer's impossible identity. From the writer of WHO IS JAKE ELLIS? and the artist of VIKING comes a spy thriller with a 21st Century twist.

EPIC KILL #1



Hitmen and mercenaries from around the globe are ordered by the President to bring down an eighteen-year-old super assassin named Song – but she's going to turn the tables on them – and every kill is going to be epic! Song has trained for years into adulthood to take revenge on the man responsible for her parents' deaths – the man who has just been elected President!

Talk to me.
Female. Mid-twenties. Some superficial wounds, cranial bleeding from blunt force head trauma.
Found her on the scene unconscious.
Scene?
Subway platform, 50th St. Practically deserted. People must've thought she was homeless. No idea how long she's been out.
This town. Anyone have anything more useful for me?
BP holding steady. Light bruising on the arm, small lacerations on her face and neck.
Breathing stabilized but zero pupil or physical reflex.
Stimulus response?
I can take this now, thank you Doctor Heller.
I have it, Hammond. You don't know--
I'm quite aware of this patient as well as her family's contributions to this hospital.
Which is why I say again: I have this now.
You're in a safe place now, Ellis. Your family is on their way.

STORY: MARK KIDWELL
ART: NAT JONES & JAY FOTOS
COVER A: NAT JONES
COVER B: NAT JONES

MAY 16
32 PAGES / FC / M
$3.99

In the heart of war-torn Saigon, a handful of battered survivors hold Tan Son Nhat Airport against an endless army of Viet Cong and the shambling dead. Crumbling bunkers defend the outer perimeter as inside… a seething hatred builds. And in the jungle, the desperate remainders of a deep recon SEAL team meet their luckless rescuers in the dripping shadows of a tropical slaughterhouse.

As old wounds heal, new ones open… and souls are laid bare.

Creators **MARK KIDWELL**, **NAT JONES** and **JAY FOTOS** continue their epic of military/zombie horror in this second part of the ongoing **'68** series: **'68: SCARS**!

Manga 101: Know Your Manga Genres

Like comic books in the West, Japanese manga are produced for a wide audience spectrum, from kids to consenting adults... which means that much like American comics, its good to know that what you're picking up to read is something you'll enjoy, and is age-appropriate for you or your family.

In honor of Manga Month, ***PREVIEWS*** presents this handy guide to manga's many genres!

And don't miss our exclusive interview with Dark Horse Manga Editor, Carl Horn on the FLIPside.

Kodomo

or "children's" manga is targeted towards young children (boys and girls ages 6-11) and are often moralistic and instill family values.

TRIO #1 IDW Publishing

STAFF picks

There are a few runs in collection that I find myself revisiting time and time again. Simonson's *Thor*, the O'Neil/Adams *Batman* stories, Claremont's *Uncanny X-Men*, and John Byrne's run on *Fantastic Four*. Very few creators have been able to tell truly captivating stories with Marvel's First Family and even fewer have been able to sustain long runs on the title. Byrne understood what made the FF tick and almost any issue penned by him is a virtual "how to" of super hero comic storytelling.

Well, this spring it looks like Byrne is returning to his roots with the release of his new IDW book *Trio*. Known to the world as Rock, Paper, and Scissors the Trio should bring many reader's favorite aspects of Byrne's superhero team dynamics to life once again. Previews of the interiors are a testament to the fact that both Byrne's scripting and penciling are still in top form, with action sequences that are as vibrant as ever. Perusing the sneak peeks has been like catching up with an old friend and I can't wait to see what Byrne has in store for us with *Trio*. Buckle-up Byrne-Believers! It's going to be a great ride.

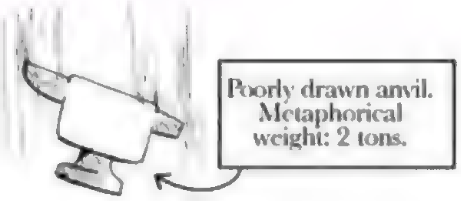
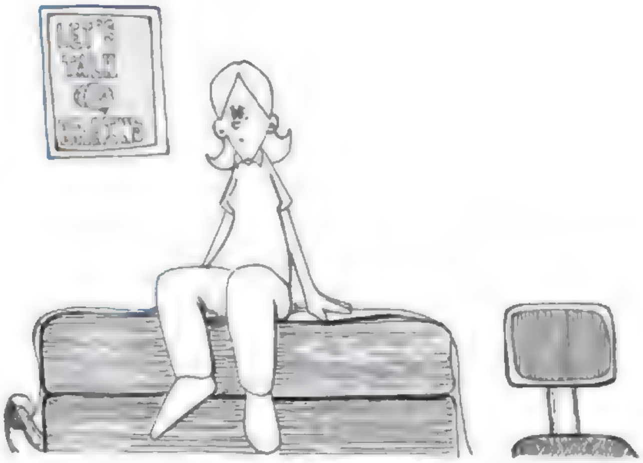
LOSERVILLE
VOLUME ONE
AND THEN YOU MIGHT EXPLODE
BY ALEX J. COX



Poorly drawn anvil. Metaphorical weight: 2 tons.



Loserville Vol 1
Alex Cox presents a story that can only be set in Loserville. Deke and Jenna are a happily married couple working their way through life until something unexpected changes their lives. Deke has ambitions, he wants to be either a novelist, or screenwriter, or artist, or professional wrestler. He can't decide which, all he knows is he doesn't like working at an insurance company. Jenna, on the other hand, is a workaholic. While Deke is not sure what it is that Jenna does, he does know that she complains about it — a lot. Jenna also complains about having hot feet and that she might have the worst disease in the world: Multiple Sploderorsis. A disease that dooms you to a life of crippling pain... and then you might explode! Not very many people have it, because they all explode. Now Deke and Jenna are faced with the challenges of knowing that she might explode at any minute. Because sometimes that's just the way these stories go.

FATHOM: KIANI

THE BLUE'S FIERCEST WARRIOR RETURNS AS FATHOM: KIANI VOL 2 BEGINS!

In Volume One, she discovered her true identity. Later, she was labeled a dissident by her own people. Finally, she was killed by Aspen Matthews...

Now, Kiani is back–and she's pissed!

Following the destruction of the recently built Blue and Human cooperative research facility, Kiani finds herself back in Marielle, the underwater city she once naively called home, to establish a new base of operations for her team. Meanwhile, tensions between the Elite Council led by Siphon and Saba's commander Thallassar have reached a boiling point as Saba's citizens begin to flee the war-torn city to join Kiani's cause, leaving Saba's leader grasping for control. And when Thalassar decides to take matters into his own hands, Kiani is forced to make a difficult choice of whether or not to battle her former soldier in arms, and seal her confirmation as an enemy of the state!

WHAT IS LOST IN LIFE IS FOUND IN... DEATH.

The broken pieces of Dr. Richard Adam's present begin to come together, revealing the tragic reality of his impending future! Meanwhile, Adams begins to discover the disastrous and horrific conditions of the world and people outside the boundaries of Trinion's control, as his wife Gabriella must make a reluctant decision to continue working on her research for Ludas, and the nefarious corporation. Plus, the arrival of Trinion's Elite Soldier force complicates matters even more–as collateral damage and bloodshed follows their destructive mission objective!

Written and created by Aspen's own Mark Roslan and featuring stunning artwork by newcomer Cory Smith and colorist Beth Sotelo, BROKEN PIECES will keep you on the edge of your seat from start to finish!

Writer: David Lapham

MR, FC, 32 pp, on-going monthly

ABOUT: Eisner Award winning writer David Lapham delivers a fresh punch to the face with his new ongoing series about crime, family, and being a lazy, yet invulnerable, private detective. Dan is something of a hired man. Whatever one needs doing, be it detective work, muscle work, blackmail work, or bedroom work - Dan's your man. Dan's not afraid of anything because Dan's totally unharmable. You can beat him with sticks, stick him in the oven, throw him off a bridge, or shoot him in his noggin its all the same to Dan. He's never met an insult that bothered him or a person he cared about—at least for more than a night. Dan prefers not to be shackled down by worldly goods. He works for just enough dough to keep him in cigs and beer for a night or two, maybe a room, and he's content. Dan's bohemian paradise is all about to change, however. You see, back before Dan was so unharmable he left a few loose ends. Now those loose ends are growing up and their mother's been murdered, which not only means that Dan has to solve his most personal case yet, he's now legally responsible for four human beings who are anything but unharmable... Dan the Unharmable is a new ongoing series by noir legend David Lapham featuring art by Rafael Ortiz. Available with a Regular and special Retro Incentive cover by David Lapham and wraparound cover by series artist Rafael Ortiz.

ABOUT: In an age of depravity, one man's appetites horrified the entire Roman Empire... the mad emperor, Caligula. When his family was brutally slaughtered by Caligula and his court, Junius travels to Rome to avenge their deaths, but discovers that the emperor cannot be killed, no matter how horrific the wound! Renamed "Felix" and admitted into Caligula's court as a pet, confidante, lover, and biographer, the young man witnesses the worst depravity and brutality that the ancient world has to offer: virgin blood ceremonies, rigged gladiator fights, and dinner parties where guests are randomly slaughtered. Can Felix maintain his sanity in the face of so much horror and discover the secret behind Caligula's mysterious supernatural power over life and death? All six issues of the first series are collected here. The modern master of horror, David Lapham (Crossed Vol. 2: Family Values, Stray Bullets), joins talented painter German Nobile in a descent into the darkest corners of Rome's history. Available in three editions: as a TPB or Hardcover with covers by artist Jacen Burrows and also a Signed Hardcover signed by writer David Lapham and artist Jacen Burrows, and limited to just 1000 copies!

MR, FC, 32pp, on-going monthly

ABOUT: Garth Ennis continues his new modern horror monster masterpiece! With precious few supplies and limited ammunition, six soldiers thrown together by fate in war-torn Afghanistan have more to fear than enemy combatants or the unforgiving elements. Out here, in the middle of the desert, with nowhere to hide and rescue improbable, they are being stalked and without their knowledge, herded into a most deadly trap. But how do you fight an enemy who can take round after round of M16 fire, only to continue forward, unfazed, unstoppable and undead? These are the Stitched, the supernatural creations of a science lost in time and before the night is through, one hero will suffer a most horrific fate. Simpsons summer fun is just around the corner with the annual *Simpsons Summer Shindig*. First up, Homer is determined to prove his love to Marge by getting a tattoo. Then, newscaster Kent Brockman sets out to restore his journalistic reputation by putting his investigative reporter skills to the test. And they say imitation is the sincerest form of flattery, but Radioactive Man has his hands full when he is besieged by a wave of do-good imitators. And speaking of heroes, Homer, Barney, and Duffman spring into action to save Duff Industries and the secret behind their new special brew. (STK463780)

Format: FC, 32pp, monthly

PRODUCT DESCRIPTION: It's the last stand for Lady Death and her allies, as a legion of demonic warriors and undead, flesh-eating soldiers presses ever forward, threatening to extinguish the rebellion against Death Queen in one blood-drenched massacre! Hopelessly outnumbered and facing certain, gut-ripping death, Lady Death is presented with a potentially deadly key to victory from a most unexpected source. But can she trust the desperate plan of Stigmata, her most hated enemy, or is it merely a carefully calculated plan of the villainess to infect Lady Death, body and soul, and achieve her ultimate conquest? Death Queen must be stopped before the entire Under Realm is destroyed by her ultimate weapon, but while Lady Death fights on one front, Death Queen's descent into madness continues as her own daughter Tormina must decide between dying as a result of Death Queen's agenda of extinction, or being murdered by her own mother for the ultimate betrayal! PRODUCT DESCRIPTION: Pandora is hot on the trail of an errant blast of extra-dimensional energy which burst into our realm at the Greek Parthenon and unleashed the ancient villainess, Satheeno. After the epic battle with the vile Gorgon, Pandora follows the dark matter's path to a deserted oil drilling platform in the Mediterranean Sea. But the haunting, mechanical derelict hides more than an otherworldly force, because hidden here, among the rotting corpses of the oil rig's crew is another horror of a much more terrestrial origin… And it's got guns. And lots of bullets. Available with a Regular cover by Matt Martin, Sultry cover by Michael Dipascale, as well as a Wraparound and a special Art Nouveau Retailer Order Incentive by painter Michael Dipascale!

X-O MANOWAR #1

Valiant Entertainment

Two decades ago, Valiant entered the comics world with fresh characters and unique philosophies on how a comic universe should work. This ambitious mission statement went on to gain a massive following of readers interested in a new way to enjoy comics that would go on to influence comic creators today. Valiant is back and launching with one of the biggest titles that put them on the map to begin with. Some titles wane through several different publishers but never really live up to their original incarnation. *X-O Manowar*, however, is making its way to readers by the blood, sweat, and tears of those same people who helped start a comic revolution over ten years ago.

Aric is a warrior, living most of his life among violence. When he is taken prisoner by a mysterious group known as The Vine, he must escape in order to get back to his world and his family. To fight back against his powerful captors, Aric will use their own advanced technology against them and become *X-O Manowar*.

Valiant will continue their legacy once again, using the writers and artists who care about the medium and challenge the boundaries of comics. Regular *Conan* artist, Cary Nord, illustrates *New York Times* bestselling author, Robert Vendetti's, script to bring readers an X-O for the 21st century. A lot has changed in comics over the past decade but the desire for unique, well-told stories is still just as strong, a demand Valiant plans to deliver.

One of the greatest pulp characters of all time is now re-launched into the 21st century! The world knows Richard Wentworth as a decorated war hero and the son of a wealthy industrialist – but only a few confidants know the truth. As New York City slides into violence and despair, Wentworth has transformed himself into a force of justice as The Spider! With only his wits, his technology, and his pistols to aid him, he fights a one-man war against crime, but when a mysterious new villain threatens the city with an unspeakable horror, it may be more than even The Spider can handle. How far will a sane man go to restore order to an insane world?

PRAISE FOR DYNAMITE'S FLASH GORDON: ZEITGEIST #1:
"This is a promising start to Dynamite's latest attempt to revive a classic comic icon." - IGN

"Flash Gordon: Zeitgeist is an exceptional introduction to the series, one that feels at home on Earth and in outer space. Both writer Eric Trautmann and artist Daniel Indro perfectly mix that fantastic and wicked world of Ming the Merciless, with the nostalgic and hopeful one of Flash Gordon. With the hunt now on for the 20th century's most evil mind, Flash Gordon: Zeitgeist will no doubt continue to thrill." - BROKEN FRONTIER

"...Dynamite has done it again with this revival of an old familiar franchise. I can't wait to read more." - COMIC VINE

"The set up here is well paced and the art work by Daniel Lindro has a real classic, pulp fiction quality to it. Bottom line: If you like sci-fi and 1930's-40's period drama, then this book is for you. Highly recommended!." - COMIC HYPE

And with their friends and teammates pinned down and running out of time, will Keith and Hunk disobey orders and risk everything to save them? Only one thing is certain...central command deliberately misled Sven and his team about their target, and they're now fighting for their lives as a result. If #686 can make it back alive, there'll be hell to pay. First things first though...

back alleys and urban landscapes

BACK ALLEYS AND URBAN LANDSCAPES GN

(W/A/CA) Michael Cho

Michael Cho began creating drawings of the back alleys near his Toronto home in 2008. With this book, he has amassed a collection that speaks to the beauty of the urban landscape: sometimes grittily citified, sometimes unexpectedly pastoral, and always bewitching. *Back Alleys and Urban Landscapes* shines with lovingly rendered details, from expletive-filled graffiti splayed across backyard fences to the graceful twists of power lines over a bend in the road.Cho lets the reader visit his city as a virtual flaneur, lingering equally over dilapidated sheds and well-groomed gardens in a dazzling tribute to the urban environs. SPOTLIGHT ON

ED THE HAPPY CLOWN HC

(W/A/CA) Chester Brown

In the late 1980s, the idiosyncratic Chester Brown (author of the much-lauded *Paying for It* and *Louis Riel*) began writing the cult classic comic book series *Yummy Fur*. Within its pages, he serialized the groundbreaking *Ed the Happy Clown*, revealing a macabre universe of parallel dimensions. *Ed the Happy Clown* is a hallucinatory tale that functions simultaneously as a dark roller-coaster ride of criminal activity and a scathing condemnation of religious and political charlatanism. Brown leaves us wondering, with every twist of the plot, just how Ed will get out of this scrape. (STK463759)

THE ADVENTURES OF HERGÉ HC (NEW PRINTING)

The Adventures of Hergé is a biographical comic about the world-renowned comics artist Georges Prosper Remi, better known by his pen name, Hergé. Meticulously researched, this biography is appropriately drawn in Hergé's iconic clear line style as an homage to the *Tintin* adventures that have commanded the attention of readers across the world and of many generations. Seven-year-old Hergé first discovered his love of drawing in 1914 when his mother gave him some crayons to stay out of trouble. He continued drawing in school when he fatefully met the editor of *XXe Siècle* magazine, where Tintin first appeared. (STK452147) (C: 0-0-2)

I NEVER LIKED YOU SC (NEW PRINTING)

(W/A/CA) Chester Brown

A self-absorbed teenager, Chester Brown strays into the difficult territory of friendship and early love while at home there is a slowly building crisis over his mother's mental health. Emotionally intense, the story veers unsteadily between the extremes of eerie detachment and sudden desperate outbursts of need. A complex and disturbing true story told with a nuanced, queasy visual style that lingers in the mind long after the book has been put away. (STK339333)

LOUIS RIEL: A COMIC STRIP BIOGRAPHY TP (NEW PRINTING)

(W/A/CA) Chester Brown

Chester Brown reinvents the comic book medium to create the critically acclaimed historical biography *Louis Riel*, winning the Harvey Awards for best writing and best graphic novel for his compelling biography the charismatic 19th-century Metis leader. Brown cooly documents with dramatic subtlety the violent rebellion on the Canadian prairie led by Riel, who some regard a martyr who died in the name freedom, while others consider him a treacherous murderer. LITTLE MAN TP (NEW PRINTING)

(W/A/CA) Chester Brown

From his early experimental comedic surrealism to his later autobiographical and essay strips, we see the progress from a major talent in development to a fully realized storytelling virtuoso. Included are his early autobiographical stories such as "Helder," a story about a young man's tentativeness when pursuing a woman. The acclaimed compendium, culled mostly from his groundbreaking comic book series *Yummy Fur*, provides a fascinating insight into Brown's psyche. (STK089660)

NICK CARDY: "WIT-LASH" SKETCHBOOK HC (WITH DVD)
(W) Renee Witterstaetter (A/CA) Nick Cardy
Now in his nineties, renowned commercial artist, illustrator and designer from DC Comics' Golden days, Nick Cardy, has been drawing his whole life. And one thing that has always made his work stand out is his design sense and his sense of humor. In *Wit-Lash* Cardy talks about his career and his life, and what makes his art so different. Artwork featured in this volume has not been explored in this way in any other publication. Available in a Signed edition, as well as a *PREVIEWS* Exclusive Signed/Sketch edition. Both versions come with an exclusive DVD featuring a sit-down interview and sketch tutorial with Cardy, packaged with the book. (STK463588) (C: 0-1-1)

PUELLA MAGI MADOKA MAGICA VOLUME 1 GN

Yen Press

The magical girl genre (*mah sh jo*) has been around for over 40 years. It is a familiar and well-worn story done over and over and over again: unremarkable girl gains magical powers, has a fluffy sidekick, and sets out to protect the world. This genre has been satirized, parodied (one of my personal favorites is *Puni Puni Poemy*), and paid tribute to, almost to the point of exhaustion. So when I came across *Puella Magi Madoka Magica* (also referred to as *Mahou Shouo Madoka Magica*), I was expecting another overdone, predictable magical story. I was wrong. But be warned: *Puella Magi Madoka Magica* is **not** your typical *mah sh jo*; it is an unexpectedly tragic, twisted tale not for kids.

The title character, Mami Tomoe (I can't get over her resemblance to Yutaka from *Lucky Star*), is a typical, unremarkable girl until she meets a cat-like creature named Kyubey, who is a Messenger of Magic. Kyubey offers to grant any one wish in exchange for contracting her services as a Puell Magi. Humm… what could possibly be wrong with an offer to fulfill any wish, gain magical powers, and save the world from witches – "evil" entities that feed on hope and dreams?

Puella Magi Madoka Magica was released in Japan in 2011 as a three volume series and 12 episode anime and is widely acclaimed; winning numerous awards. Mami Tomoe, one of the puella magi, even won the 2011 Anime Saimoe – essentially naming her the most *moe* character for 2011. There are also two spin-off series and a planned release for a PlayStation Portable video game later this month.

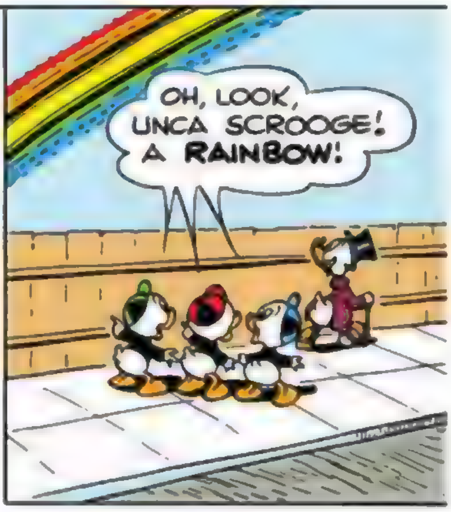
WALT DISNEY'S UNCLE SCROOGE: "ONLY A POOR OLD MAN"

by Carl Barks; Introduction by George Lucas

$28.99 / HC / 240 pgs / FC / 7.25 x 10

Fantagraphics' second release in this series focuses on Carl Barks's other protagonist and perhaps greatest creation: Scrooge McDuck. Featured are four full-length stories plus over two dozen shorter stories and one-page gags. Newly recolored to combine the warm, friendly, slightly muted feeling of the original comic books with state-of-the-art crispness. Barks' comics are joined by fascinating essays about the creation of the stories and expert analysis of their content.



OH, LOOK, UNCA SCROOGE! A RAINBOW!

DAL TOKYO
GARY PANTER

DAL TOKYO

by Gary Panter

$35.00 / HC / 212 pgs / BW / 6 x 16

Collected into one giant volume for the first time, Fantagraphics proudly presents Gary Panter's sci-fi/punk mash-up masterpiece *Dal Tokyo*. Panter imagines a Mars where Japanese and Texan culture have collided and the result is a dizzying and absorbing mix of more or less intelligible jokes, non-sequiturs and surreal eruptions that can engulf the entire panel in scribbles. Most of these strips were only published in Japan and are being published in the US for the first time!

SEXYTIME: THE POST-PORN RISE OF THE PORNOISSEUR

by Jacques Boyreau

$29.99 / HC / 120 pgs / FC / 9.75 x 13

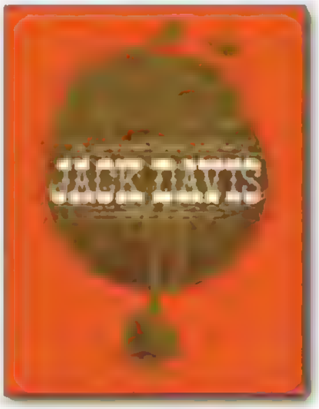
Fantagraphics proudly presents *Sexytime*, a collection of nearly a hundred movie posters from the golden age of Adult Cinema. Art and graphic design in the 1970's had an undeniably distinctive look, most boldly represented in the world of Adult Entertainment which really hit its stride as an industry in that decade. This book is an eye-popping delight for genre enthusiasts, fans of retro design and the just plain curious (yellow).

BLACK IMAGES IN THE COMICS

by Fredrik Strömberg; Introduction by Charles R. Johnson

$19.99 / SC / 296 pgs / BW / 6 x 6

Now in soft cover, *Black Images In The Comics* is an endlessly fascinating historical journey chronicling the depiction of black characters in comics from the appalling racism of the earliest syndicated strips right through to the more enlightened present day. Included are essays on, and examples of, each strip, comic or graphic novel spotlighted plus over a dozen new entries added to the out-of-print hardcover edition.



JACK DAVIS: DRAWING AMERICAN POP CULTURE A CAREER RETROSPECTIVE

by Jack Davis

$49.99 / HC / 192 pgs / FC / 10 x 13

A career-spanning retrospective collating the greatest collection of Jack Davis' work ever assembled! Exploding with exuberant energy, the book includes work from every stage of his career, from his college days through work for *EC*, *MAD*, *Humbug* and *Trump* magazines to movie posters, album jacket art, proposed comic strips that never sold and even illustrations unearthed in the Davis archives that the artist himself can't identify!

GOD AND SCIENCE: RETURN OF THE TI-GIRLS

by Jaime Hernandez

$19.99 / HC / 144 pgs / BW / 8.5 x 11

Jaime Hernandez's *God And Science* manages to be both a rollickingly creative super-hero joyride that ranges to the other side of the universe and a genuinely dramatic fable about madness, grief, and motherhood. It has now been expanded from its original 100 pages to include 30 new pages including four new full-color faux Ti-Girls covers, several expansions of scenes and an epilogue.

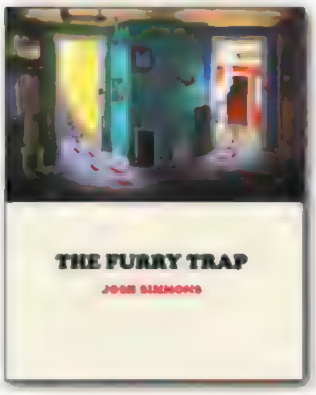
WANDERING SON: BOOK THREE

by Shimura Takako

$19.99 / HC / 200 pgs / BW / 7 x 9.25

The third volume in this increasingly popular coming-of-age Manga series picks up the pace with laughs and tears aplenty. Our heroes, Shuichi and Yoshino, have their secret exposed, straining their friendship as they encounter the realities of being young and transgendered. Rendered with sensitivity and sophistication by artist Shimura Takato and translator Matt Thorn, the universality of emotions depicted in *Wandering Son* should appeal to all readers.



THE FURRY TRAP

by Josh Simmons

$24.99 / HC / 140 pgs / FC / 8 x 10

The Furry Trap is a harrowing and genre-bending collection of 11 modern horror short stories that could curl the toes of a corpse. Simmons' stories work on multiple levels: straight horror, black humor, genre satire and assaults against the political correctness of much of our popular culture. His artwork excels in conveying a feeling of dread and claustrophobia, and the stories herein all share an unmistakable and uncompromising commitment to exploring the crossroads of abomination and hilarity.

BABY'S IN BLACK HC
(W/A/CA) Arne Bellstorf
Meet The Beatles... right at the beginning of their careers. This high-energy graphic novel provides an intimate peek into the early years of the world's greatest rock band. The "fifth Beatle," Stuart Sutcliffe, falls in love with the beautiful Astrid Kirchherr when she recruits the Beatles for a sensational (and famous) photography session during their time in Hamburg. When the band returns to Liverpool, Sutcliffe stays in Hamburg and becomes engaged to Kirchherr. A year later, his career as a modern artist is cut short when he dies unexpectedly. The book ends as it begins, with Astrid, alone and adrift; but with a note of hope: her life is incomparably richer and more directed thanks to her friendship with the Beatles and her love affair with Sutcliffe. A fascinating blend of murder mystery and high-concept science fiction, *The Moon Moth* has long been hailed as one of Jack Vance's greatest works. Edwer Thissell, the new consul from Earth to the planet Sirene, is having all kinds of trouble adjusting to the local culture. The Sirenese cover their faces with masks that indicate their social status. Shortly after Thissell arrives on Sirene, he finds himself embroiled in an unsolved murder case, made all the more mysterious by the fact that since everyone must always wear a mask, you can never be sure who you're dealing with. TRINITY: A GRAPHIC HISTORY OF THE FIRST ATOMIC BOMB GN

(W) Michael Gallagher
(A/CA) Jonathan Fetter-Vorm

In *Trinity*, illustrator Jonathan Fetter-Vorm tells the history of the race to build — and the decision to drop — the first atomic bomb, and the ethical debates that followed. He begins with early research in Europe, which accelerated rapidly as World War II approached. The action shifts to Los Alamos, and Fetter-Vorm showcases the strong personalities of the physicists under the supervision of "Manhattan Project" leader, J. Robert Oppenheimer. When the first bomb finally went off at a test site code-named "Trinity", the world was irreversibly thrust into a new and far more dangerous age. Richly illustrated and deeply researched, *Trinity* is dramatic, informative, and thought-provoking. (STK462561) (C: 0-1-2)

Takagi Fujimaru may seem like a regular high school student, but behind the cheery facade lies a genius hacker by the name of Falcon. When his father is framed for a murder, Falcon uses his brilliant hacking skills to try and protect his sister and clear his father's name. However, he finds that his father, an agent in an elite government agency, was involved with something far more complex than a simple murder. A terrorist group is plotting against the city of Tokyo and it is up to Falcon, with the help of his friends, to unravel the twisted plans set in place to kill millions of people. ATTACK ON TITAN VOLUME 1 GN

(W/A/CA) Isayama Hajime

What's left of humanity survives in fear for their lives in this exciting, terrifying new manga that's a number one bestseller in Japan. Humankind is down to just a few thousand people who live in a city surrounded by three concentric walls. The walls protect them from their enemies, the ravenous giants known as the Titans. The Titans appear to have only one purpose: to consume humanity. For one hundred years, what's left of mankind has lived in the city on earth, protected by walls that tower over even the Titans. Untouched by the Titans for a century, humanity has become complacent. But Eren Jaeger has had enough. While his fellow citizens are content to hide, Jaeger has the passion to take action to not only protect the city, but to learn what the Titans actually are. But on his first mission he comes face to face with horrors beyond his imagination... and secrets from his own past that could shift the tides of war. Jarger and his friends are determined to survive. But everything about their situation is a mystery that only becomes more complicated the more they learn. *Attack on Titan* is a breathtaking debut from a young talent, and a phenomenon that is sweeping Japan! GARFIELD #1

BOOM! Studios/ KaBOOM!

He's orange. He loves lasagna. He is not too much unlike me, only I'm not orange. He sang, he danced, and loved to take a nap. Garfield was one of those characters I loved to read every Sunday in the newspaper's funny section. Fun fact about me: my immense love of Italian food has earned me the nickname "Garfield" from more than one person.

New from KaBOOM!, BOOM! Studios' kid-friendly imprint, comes an ongoing series featuring everyone's favorite feasting feline. Illustrated by Gary Barker, *Garfield* strip cartoonist, everyone's joining the adventures for this new ongoing series; Jon, Odie, and hopefully everyone's favorite adorably annoying kitten, Nermal. I'm looking forward to seeing Garfield again drawn in the style of the newspaper strips, with all my favorite characters!

THE LOVELY HORRIBLE STUFF
EDDIE CAMPBELL
TENDER AND PRIVATE
THE LOVELY HORRIBLE STUFF
CAMPBELL
"Campbell is one of the premier cartoonists of his generation."
— Publishers Weekly

Money. It's a hit.

Money makes the world go around, as they say. And around. And around.

Eddie Campbell is an award-winning graphic novelist (*Alec, From Hell*) whose work defies categorization. His latest book is a dizzying autobiographical investigation into MONEY. It's a voyage that takes him all the way from the imaginary wealth of Ponzi schemes to the real hard stuff on an obscure South Sea tropical island where he investigates the history of the stone money. This is no dry and dusty treatise on finance; any complexities are pleasingly reduced to the level of bubblegum trading cards. In here you will hear about the corporation that Campbell keeps under his bed; you will meet colorful historical characters and be taken on dangerous shark-infested sea adventures; and after that, we will all plunge to the depths to retrieve our loose change.

Campbell's wry eye and vivid full-color artwork imbue the proceedings with real humanity, making *The Lovely Horrible Stuff* an investment that's worth every penny.

Money makes the world go round, as they say... but *how*, exactly? Award-winning graphic novelist Eddie Campbell (*From Hell, Alec*) presents a fascinating journey into the wilderness of personal finance. With his trademark blend of research, anecdote, autobiography, and fantasy, Campbell explores how money underwrites human relationships, flowing all around us like the air we breathe — or the water we drown in. The result is a whimsical graphic essay, deeply grounded in Eddie's personal experiences with "the lovely horrible stuff," ranging from the imaginary wealth of Ponzi schemes and television pilots to the all-too-tangible stone currency of the Micronesian island of Yap. MIKE NORTON'S BATTLEPUG VOLUME I HC

Dark Horse Comics

All the high fantasy of an Edgar Rice Burroughs' tale with five times the ridiculous oversized animals, *Battlepug* delivers humongous harp seals, gigantic gophers, titan toads, burly beefcake, and, of course, pugs. This is the epic tale of child sold into slavery—one who grows into a man seeking vengeance—a hero who comes to know the fierce strength of the bond between man and pug. The Kinmundian (Conan's long-lost genre-twin) and the Battlepug scamper where mortals fear to tred and nip at the very heels of the sorcerer who massacred the warrior's village.

What you see is what you get—brawling barbarians and bug-eyed battle mounts. Wonderfully, it's not just an awesome premise; the execution is top-notch. Many readers remember Mike Norton from his work on *Queen & Country*, *Runaways*, and *Young Justice*. He's got a pro-league colorist to match his writing and his line art: Allen Passalaqua who's been working on *JSA* and *Detective Comics*. This incredibly talented pair has put the best possible finish on a project that's pure fun.

So mount up, Pug-riders. Onward, to Adventure!

X-O MANOWAR: BIRTH HC
Written by BOB LAYTON & JIM SHOOTER

Cover by SEAN CHEN

Re-offered to coincide with the release of the all-new X-O Manowar #1, this digitally remastered special edition hardcover collects the original X-O Manowar origin story from issues #0-6, with an extra-added bonus story by comics legend Bob Layton!

192 pg, FC • $24.95 US • ISBN: 097964091-1

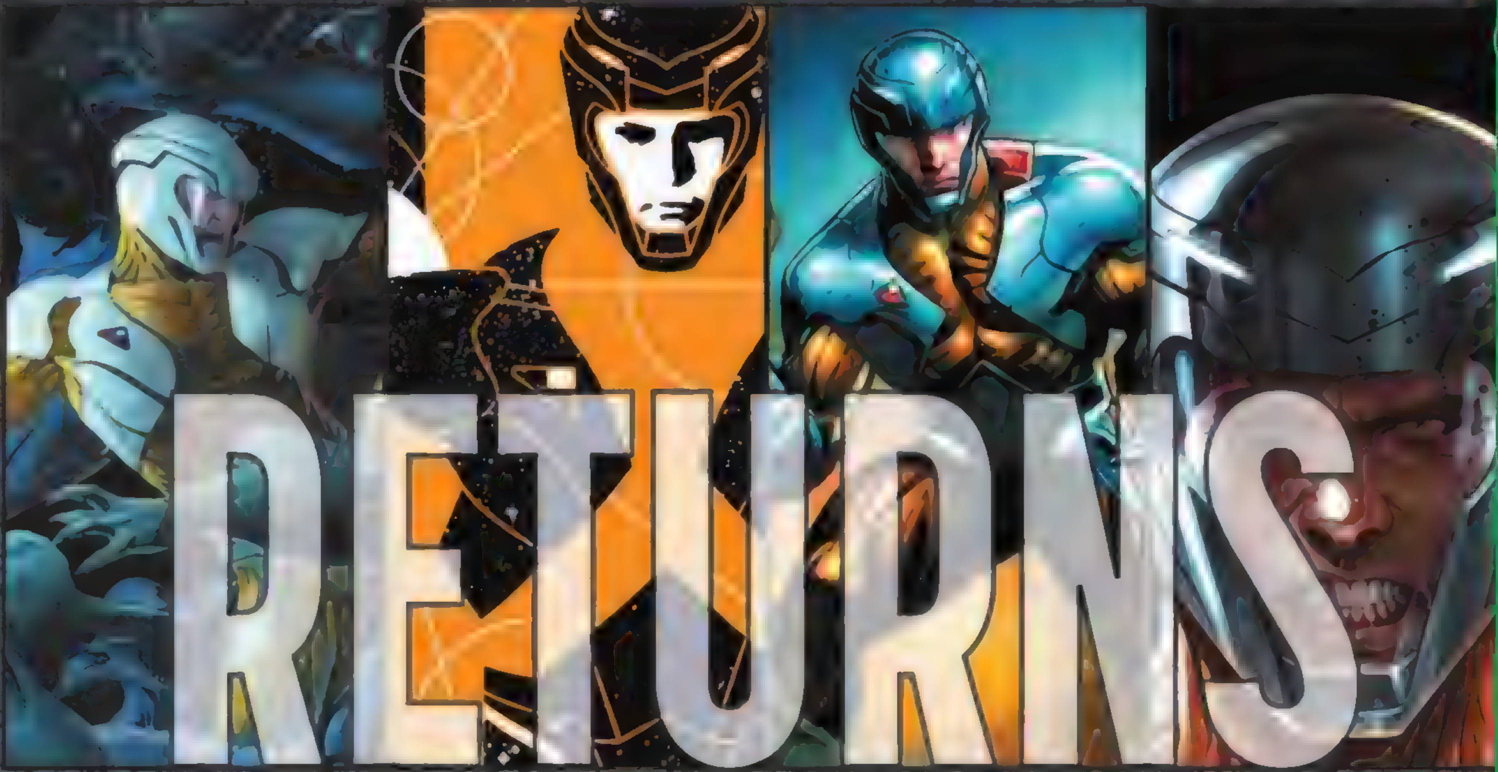
In 1992, the impossible happened - an upstart independent company created a new, cohesive universe that managed to go toe-to-toe with the industry's biggest publishers, forever changing the comics landscape in the process. Jim Shooter. Barry Windsor-Smith. Joe Quesada. David Lapham. David Michelinie. Bob Layton. Jimmy Palmiotti. Steve Ditko. Bryan Hitch. Sean Chen. John Ostrander. Rags Morales. Tony Bedard. Some of comics' greatest talents joined ranks with a who's who of up-and-comers to build one of the first true legends of the modern age of comics - Valiant.

"I cut my teeth working on those characters in the '90s," said Palmiotti. "Valiant created some new characters that fans really connected to."

The Valiant Universe took the industry by storm, adding readers at an unprecedented rate, and becoming the first shared universe to ever approach Marvel or DC in both scope and sales. Rai. Harbinger. X-O Manowar. Shadowman. Archer & Armstrong. Eternal Warrior. Dr. Mirage. H.A.R.D. Corps. Ninjak. Armorines. Bloodshot. Each new addition to the Valiant line cultivated an energy all its own, creating one of comics' most diverse and unpredicatble universes along the way. Progressive. Subversive. Sophisticated. Valiant's new take on the super-hero genre completely redefined the limits on what an independent publisher could do, challenging and outpacing the competition on almost every front.

"Valiant was an independent company - a start-up really - rivaling companies that had been around for 50 years or more," said Valiant Publisher Fred Pierce. "Not since the earliest days of the Marvel Universe has a comics company seen the kind of breakout response Valiant did in its prime."

Two decades later, Valiant is primed to forge its legend anew. On May 2nd, a new and updated take on the Valiant Universe is set to debut in the pages of X-O Manowar #1, the first issue in a line of all-new series primed to take Valiant's esteemed heroes back to their roots. In keeping with the renegade spirit that made the company's original incarnation an overnight sensation,



Valiant has enlisted Robert Venditti - the New York Times bestselling graphic novelist behind The Surrogates - and Cary Nord - the Eisner Award-winning artist of Conan - to bring Valiant's flagship hero into the 21st century. And following quickly on the heels of X-O Manowar's oversized first issue will be Valiant's Free Comic Book Day 2012 Special that lays the tracks for the rest of the universe that is to follow.

"We've put an exceptional amount of preparation into our plans for May," said Valiant Executive Editor Warren Simons. "Rob and Cary are bringing the goods, and their work on X-O Manowar should indicate the level of storytelling we're establishing from the get-go."

Anticipation is already running high for the return of not just X-O Manowar, but the rest of the Valiant heroes that defined an era. Just in time for the 20th anniversary of Valiant's most enduring series, be sure to look for the relaunch of the universe that indelibly changed comics -- and aims to again -- this May.

"In an era when it was all about the flashy splashpage, Valiant really made people stop and get reacquainted with amazing storytelling," said Brett Parker, owner of New Hampshire's Double Midnight Comics. "This is definitely a welcome and well deserved return."

Nausicaä of the Valley of the Wind

by Hayao Miyazaki

In a long-ago war, humankind set off a devastating ecological disaster. Thriving industrial societies disappeared. The earth is slowly submerging beneath the expanding Sea of Corruption, an enormous toxic forest that creates mutant insects and releases a miasma of poisonous spores into the air. At the periphery of the sea, tiny kingdoms are scattered on tiny parcels of land. Here lies the Valley of the Wind, a kingdom of barely 500 citizens; a nation given fragile protection from the decaying sea's poisons by the ocean breezes; and home to Nausicaä.

Haruka Touyama is a 12-year-old girl with incredible precognitive abilities. But her accuracy in predicting the future has made her a target for any number of greedy corporations that would use her power for their own profits. After she is taken from her family, Haruka uses her gift to seek out someone who can help her escape her captors and fixes upon a blind man making his way through the busy streets of Tokyo. Though it may seem an odd choice, Haruka's powers have not led her wrong. Despite his inability to see, her chosen protector's fighting skills become apparent when he draws a sword from his walking stick and takes out a corporation's thugs. Haruka knows she will always be pursued and begs the mystery swordsman to keep her safe, "until death do us part." (STK462753) (C: 0-1-2)

A HISTORY OF UNDERGROUND COMICS: 20TH-ANNIVERSARY EDITION SC

(W) Mark James Estren

In the land that time forgot, 1960s and 1970s America, there once were some bold, forthright, thoroughly unashamed social commentators who said things that "couldn't be said" and showed things that "couldn't be shown." They were cartoonists — underground cartoonists. And they were some of the cleverest, most interesting social commentators of their time, as well as some of the very best artists, whose work has influenced the visual arts right up until today. *A History of Underground Comics* is their story — told in their own art, in their own words, with connecting commentary and analysis by one of the very few media people who took them seriously from the start. SPOTLIGHT ON

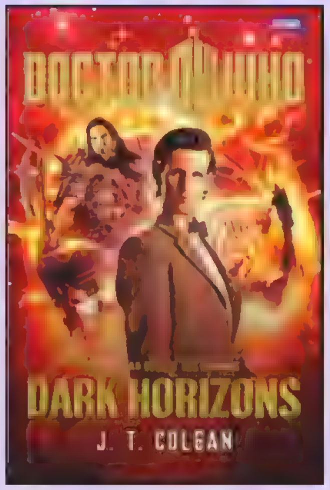
DOCTOR WHO: DARK HORIZONS HC



(W) J.T. Colan
On a windswept Northern shore, at the very tip of what will one day become Scotland, the islanders believe the worst they have to fear is a Viking attack. Then the burning comes, consuming everything in its path — yet the burned still speak. The Doctor encounters a people under attack from a power they cannot possibly understand. They have no weapons, no strategy, and no protection against a fire sent to engulf them all. The islanders must take on a ruthless alien force in a world without technology; without communications; without tea that isn't made out of bark. Still at least they have the Doctor on their side — don't they? (STK463035)

Built towards the end of the twenty-first century, Paradise Towers is a massive housing block, stretching up towards the sky. With its beautiful decor, smart apartments, fantastic facilities and high standards of maintenance, it is hardly surprising that the architect, Kroagnon, won many professional awards. When Mel and the Doctor arrive, instead of the bright squares and charming cloisters the brochure promised, they find dark, rat-infested corridors full of uncontrollable cleaning machines, undisciplined street gangs, and belligerent caretakers. How could such perfect accommodation have become so run down and dangerous? (STK463124) (C: 0-1-2)

SHOCK VALUE: HOW A FEW ECCENTRIC OUTSIDERS INVENTED MODERN HORROR SC

(W) Jason Zinoman
An enthralling behind-the-scenes account of horror's golden age, *Shock Value* draws on unprecedented access to the genre's major players to paint the definitive portrait of a cinematic revolution. By the late 1960s, horror was stuck in the past, confined mostly to drive-in theaters and exploitation houses. *Shock Value* tells the unlikely story of how an ambitious art form emerged when directors like Wes Craven, Roman Polanski, and John Carpenter plumbed their deepest anxieties to bring a gritty realism to their craft. Drawing on hundreds of interviews, Shock Value chronicles an era when groundbreaking masterpieces both conquered the Cineplex and redefined what it was to be afraid. THE GREEN HORNET

THE GREEN HORNET: A HISTORY OF RADIO, MOTION PICUTRES, COMICS AND TELEVISION SC

(W) Martin Grams Jr, Terry Salomonson

Since *The Green Hornet* first appeared on radio in 1936, he has made the transition to motion pictures, comics, and television. For the first time, the complete story of this crime fighter is unmasked, as prolific TV and radio historians Martin Grams and Terry Salomonson usher you into the Black Beauty. A complete history of the radio series from the creation to the untold adventures is all provided under one cover. Also included are the two cliffhanger serials of the early forties, the unaired 1952 television pilot, the long-running comic books, and the William Dozier television series (1966-67) starring Van Williams and Bruce Lee. Whether you are a casual fan or a serious enthusiast of the series, here is everything you want to know about *The Green Hornet! THE PRINCE OF EVIL - MESSENGER OF DEATH - ROOM 1313
THE Shadow
Three Classic Pulp Thrillers by MAXWELL GRANT

THE SHADOW DOUBLE NOVEL VOLUME 60 SC

The Knight of Darkness combats super-crime in an extra-length volume showcasing tales by each of the pulp wordsmiths who wrote as "Maxwell Grant." First, in a violent thriller by Theodore Tinsley, The Shadow investigates the murderous machinations of "The Prince of Evil," a sadistic fiend who delights in torture and human misery. Then, The Shadow enters a series of diabolical deathtraps disguised as a "Messenger of Death" to retrieve a secret formula in a classic mystery by Walter Gibson. Finally, Lamont Cranston tracks down a hidden serial killer in Bruce Elliott's "Room 1313." (STK463497) (C: 0-1-1)

LANDMARK PEOPLE & EVENTS: *KEVIN SMITH*

Like most, my initial awareness of Kevin Smith came from watching his *Clerks* and *Mallrats* movies. First meeting Kevin at the 1997 San Diego Con, he flattered me by telling me he'd long been aware of Graphitti Designs and how he's been enjoying our merchandise for years. The belief by Kevin that Graphitti Designs was some sort of high-brow, hoity-toity licensee that only dealt only with the big comic companies, quickly changed. That brief meeting evolved into both a friendship and a business empire. Kevin wanted to produce merch for his films (and other endeavors) and quickly found himself a partner with Graphitti Designs. Working with Kevin was a dream come true. It was challenging, it was creative, it was fun...and we both made a couple of bucks. He was hands-on in both the creation of the products as well as promoting them. The man is definitely the hardest working slacker I have ever seen!

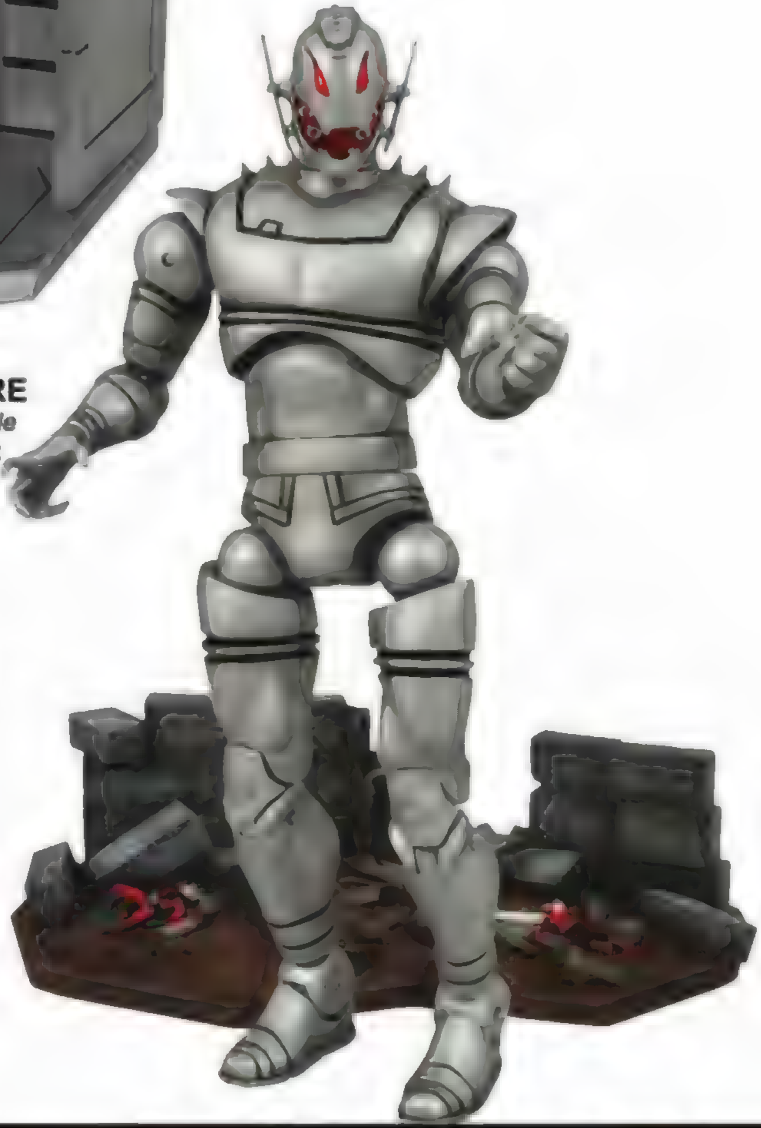
MARVEL SELECT AVENGERS MOVIE IRON MAN MARK VI ACTION FIGURE

A Diamond Select Release! Sculpted by Gentle Giant! The Avengers movie is almost upon us, and Diamond Select is bringing back the action figure everyone has been asking for! Iron Man's Mark VI armor was released as part of the Iron Man 2 movie line, but now they're making it available as part of the Avengers line (this time in Avengers movie packaging)! Depicting Tony Stark in the armor he wears through much of the film, this figure stands 7.5 inches tall with 16 points of articulation, and comes with a removable mask that can be displayed in open or closed position. Iron Man is in scale to all of DST's other Avengers movie figures and comes with a detailed display base in oversized collector packaging.

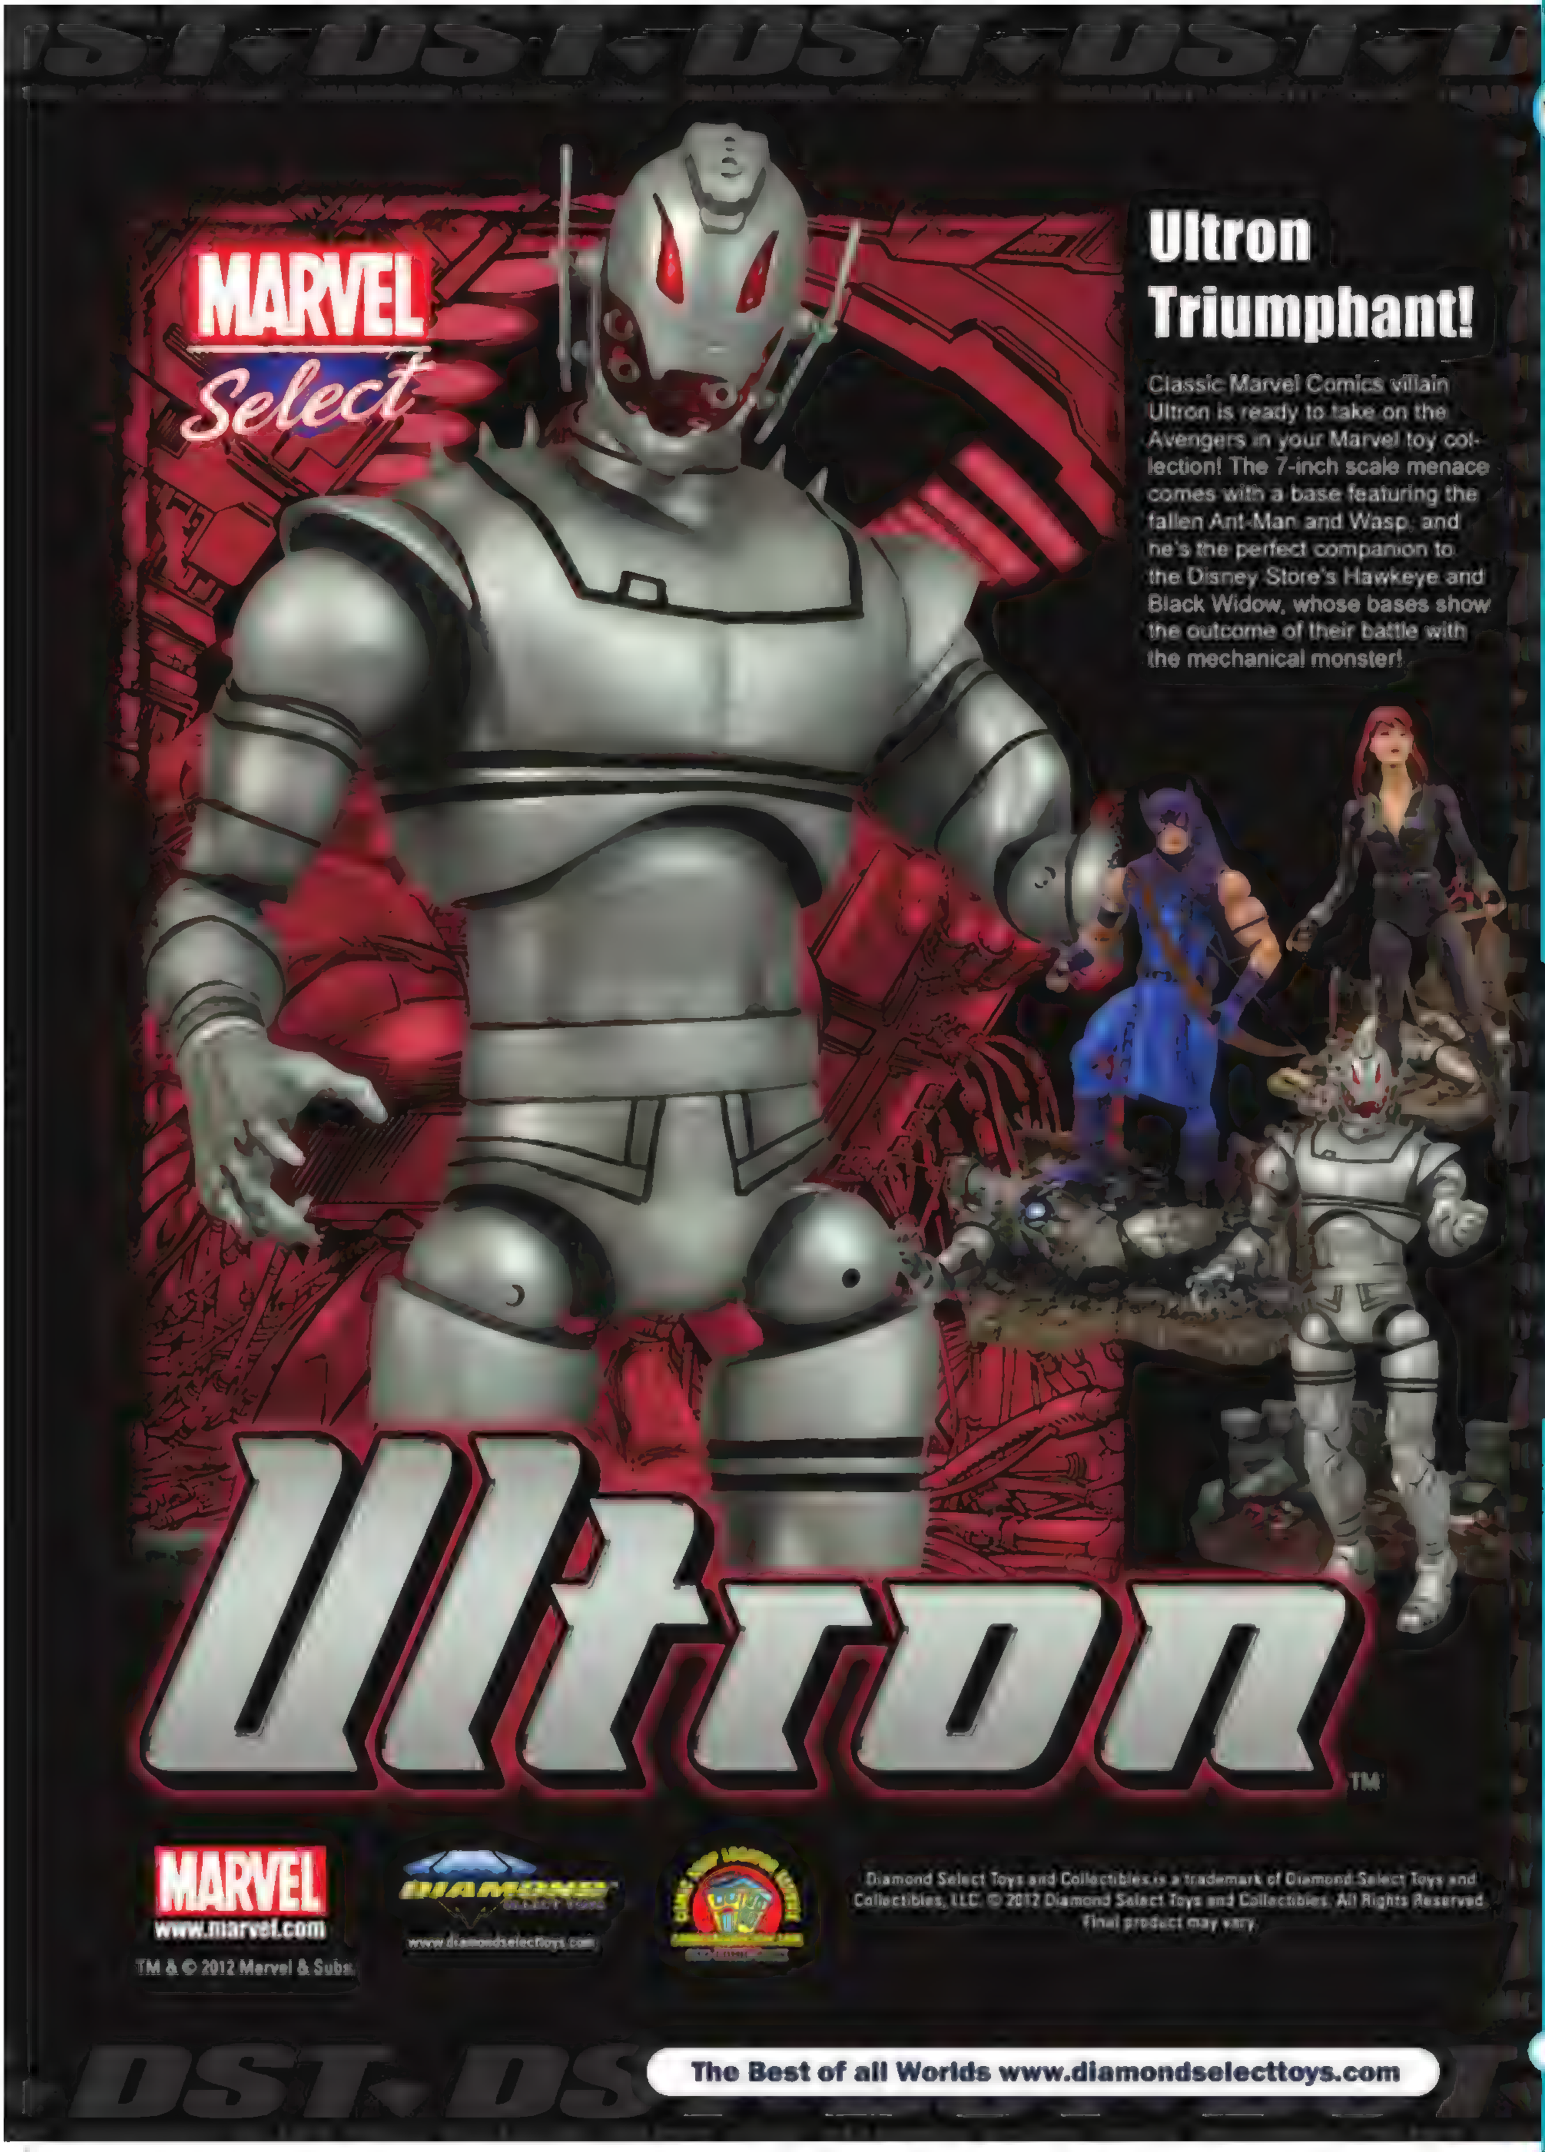
Figure.......SRP: $21.99



MARVEL SELECT ULTRON ACTION FIGURE

A Diamond Select Release! Designed and Sculpted by Gentle Giant! DST has made plenty of Avengers in its Marvel Select line, but they've never made the team's greatest foe: Ultron! The unkillable robotic creation of Dr. Hank Pym, Ultron is depicted in his classic form, in the same 7-inch scale as the rest of the Marvel Select line. Plus, he comes with a detailed display base depicting the fallen forms of Ant-Man and the Wasp, and features multiple points of articulation, for a variety of humanity-despising poses. Ultron comes in oversized collector packaging, and is only available on the specialty market!

Figure.......SRP: $21.99



Ultron Triumphant!

Classic Marvel Comics villain Ultron is ready to take on the Avengers in your Marvel toy collection! The 7-inch scale menace comes with a base featuring the fallen Ant-Man and Wasp, and he's the perfect companion to the Disney Store's Hawkeye and Black Widow, whose bases show the outcome of their battle with the mechanical monster!

After the amazing success and popularity of the Iron Man, Hulk, Thor, and Captain America films, Marvel is preparing to unleash the greatest superhero team of all time in just a few short months. Gathering together the main characters of the previous films to defend the Earth from certain destruction, the Avengers will debut in May of 2012 with Robert Downey Jr. reprising his role as Tony Stark and his heroic alter ego Iron Man. To commemorate the triumphant new appearance of this iconic character, Kotobukiya is proud to announce the all-new **AVENGERS MOVIE IRON MAN MARK VII ARTFX STATUE**! Using new 3D sculpting techniques, Kotobukiya has created the finest and most exciting ARTFX statue of any Iron Man, bringing more fine detailing than previous hand-sculpted releases for a more dynamic display. The incredible statue comes equipped with a three-mode LED chest light-up feature: Off, Continuous On, and triggered by the built-in motion detector! Iron Man's eyes also feature continuous LED lighting in both modes. Iron Man Mark VII stands nearly 13 inches tall (1/6th scale) on an incredible shattered concrete base that bears the marks of furious battle. This pre-painted, snap-fit ARTFX Statue is easy to assemble so you can have your Iron Man Mark VII on display in no time.

WARHAMMER 40,000: HORUS HERESY – PRIMARCHS MMPB

Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny — no enemy of the Imperium could stand against them. However, the seeds of dissent had been sown long before the treacherous Warmaster Horus declared his grand heresy. Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known — Fulgrim, Alpharius, Lion El'Johnson, and Ferrus Manus — and the roles that they may have yet to play in a war which threatens to change the face of the Imperium forever. PATHFINDER
The Moonscar

PATHFINDER MODULE: THE MOONSCAR
To astronomers and stargazers, the unusual pale patch on the moon is known as the Moonscar. Many theories abound as to the nature of this strange feature, yet the truth is a terrifying legacy from the ancient past. When a renowned archeologist disappears while investigating a strange mountaintop ruin, the adventurers must follow the abductee through a mysterious portal into a land of lunar madness and demonic nightmare-for what scars Golarion's moon is a blight from the depths of the Abyss itself! This adventure features challenges that will test the mettle of a group of four 16th-level Pathfinder characters, such as those who might have finished a *Pathfinder Adventure Path* and seek a new story to challenge their powers! THE BURNING MOON DVD

In 1997, writer/director/special effects master Olaf Ittenbach changed the face of video horror, force-fed its ripped-out eyeballs to screaming audiences, then used a drill, machete and shotgun on its still-twitching torso: Ittenbach himself stars as a degenerate junkie who babysits his young sister with two bedtime stories of the damned. First, an escaped serial killer turns date night into a graphic family massacre. Then a country priest on a rape and murder spree leads to a disturbingly explicit descent into Hell. This remains perhaps the most violent and depraved shot-on-video saga in history. This is *The Burning Moon*. (STK462754) (C: 0-1-3)

MONSTER BRAWL
IT'S THE FIGHT OF THE LIVING DEAD!

MONSTER BRAWL

The film depicts a wrestling-style fight to the death set inside an abandoned and cursed graveyard, shown in a pay-per-view style atmosphere. The fighters are eight classic movie monsters — Cyclops, Swamp Gut, Frankenstein, Lady Vampire, Werewolf, Mummy, Witch Bitch, and Zombie Man. Acting as play-by-play announcer is Buzz Chambers (Dave Foley) with color commentating by former champ Sasquatch Sid (Art Hindle). (STK463910) (C: 0-1-2)

THE HUNGER GAMES
MARCH 23

THE HUNGER GAMES

Every year in the ruins of what was once North America, the evil Capitol of the nation of Panem forces each of its twelve districts to send a teenage boy and girl to compete in the Hunger Games. A twisted punishment for a past uprising and an ongoing government intimidation tactic, The Hunger Games are a nationally televised event in which "Tributes" must fight with one another until one survivor remains. Pitted against highly-trained Tributes who have prepared for these Games their entire lives, Katniss is forced to rely upon her sharp instincts as well as the mentorship of drunken former victor Haymitch Abernathy. If she's ever to return home to District 12, Katniss must make impossible choices in the arena that weigh survival against humanity and life against love. (STK463935) (C: 0-1-4)

JOHN CARTER

From Academy Award-winning filmmaker Andrew Stanton comes *John Carter*, a sweeping action-adventure set on the mysterious and exotic planet of Barsoom (Mars). Based on a classic novel by Edgar Rice Burroughs, the film tells the story of war-weary, former military captain John Carter who is inexplicably transported to Mars where he becomes reluctantly embroiled in a conflict of epic proportions amongst the inhabitants of the planet, including Tars Tarkas and the captivating Princess Dejah Thoris. In a world on the brink of collapse, Carter rediscovers his humanity when he realizes that the survival of Barsoom and its people rests in his hands. (STK463928) (C: 0-1-4)

THE RAID

Deep in the heart of Jakarta's slums lies an impenetrable safe house for the world's most dangerous killers and gangsters. Until now, the run-down apartment block has been considered untouchable to even the bravest of police. Cloaked under the cover of pre-dawn darkness and silence, an elite swat team is tasked with raiding the safe house in order to take down the notorious drug lord that runs it. But when a chance encounter with a spotter blows their cover and news of their assault reaches the drug lord, the building's lights are cut and all the exits blocked. Stranded on the sixth floor with no way out, the unit must fight their way through the city's worst to survive their mission. Starring Indonesian martial arts sensation Iko Uwais. WRATH OF THE TITANS

A decade after his heroic defeat of the monstrous Kraken, Perseus, the demigod son of Zeus, attempts to live a quiet life as a village fisherman and the sole parent to his 10-year old son, Helius. Meanwhile, a struggle for supremacy rages between the gods and the Titans. Dangerously weakened by humanity's lack of devotion, the gods are losing control of the imprisoned Titans and their ferocious leader, Kronos, father of the long-ruling brothers Zeus, Hades, and Poseidon. The Titans' strength grows stronger as Zeus' remaining godly powers are siphoned, and hell is unleashed on earth. Enlisting the help of the warrior Queen Andromeda, Poseidon's demigod son, Argenor, and fallen god Hephaestus, Perseus bravely embarks on a treacherous quest into the underworld to rescue Zeus, overthrow the Titans and save mankind. PUELLA MAGI
MADOKA MAGICA

PUELLA MAGI MADOKA MAGICA VOLUME 1 GN

YEN PRESS

The magical girl genre (*mah sh jo*) has been around for over 40 years. It is a familiar and well-worn story done over and over and over again: unremarkable girl gains magical powers, has a fluffy sidekick, and sets out to protect the world. This genre has been satirized, parodied (one of my personal favorites is *Puni Puni Poemy*), and paid tribute to, almost to the point of exhaustion. So when I came across *Puella Magi Madoka Magica* (also referred to as *Mahou Shouo Madoka Magica*), I was expecting another overdone, predictable magical story. I was wrong. But be warned: *Puella Magi Madoka Magica* is **not** your typical *mah sh jo*; it is an unexpectedly tragic, twisted tale not for kids.

The title character, Mami Tomoe (I can't get over her resemblance to Yutaka from *Lucky Star*), is a typical, unremarkable girl until she meets a cat-like creature named Kyubey, who is a Messenger of Magic. Kyubey offers to grant any one wish in exchange for contracting her services as a Pueli Magi. Humm… what could possibly be wrong with an offer to fulfill any wish, gain magical powers, and save the world from witches – "evil" entities that feed on hope and dreams?

Puella Magi Madoka Magica was released in Japan in 2011 as a three volume series and 12 episode anime and is widely acclaimed; winning numerous awards. Mami Tomoe, one of the puella magi, even won the 2011 Anime Saimoe – essentially naming her the most *moe* character for 2011. There are also two spin-off series and a planned release for a PlayStation Portable video game later this month.

It's *Card Captor Sakura* meets *XXX Holic* and *Pet Shop of Horrors*. You will not be disappointed!

X-O #1
MANOWAR

X-O MANOWAR #1

VALIANT ENTERTAINMENT

Two decades ago, Valiant entered the comics world with fresh characters and unique philosophies on how a comic universe should work. This ambitious mission statement went on to gain a massive following of readers interested in a new way to enjoy comics that would go on to influence comic creators today. Valiant is back and launching with one of the biggest titles that put them on the map to begin with. Some titles wane through several different publishers but never really live up to their original incarnation. *X-O Manowar*, however, is making its way to readers by the blood, sweat, and tears of those same people who helped start a comic revolution over ten years ago.

Aric is a warrior, living most of his life among violence. When he is taken prisoner by a mysterious group known as The Vine, he must escape in order to get back to his world and his family. To fight back against his powerful captors, Aric will use their own advanced technology against them and become *X-O Manowar*.

Valiant will continue their legacy once again, using the writers and artists who care about the medium and challenge the boundaries of comics. Regular *Conan* artist, Cary Nord, illustrates *New York Times* bestselling author, Robert Vendetti's, script to bring readers an X-O for the 21st century. A lot has changed in comics over the past decade but the desire for unique, well-told stories is still just as strong, a demand Valiant plans to deliver.

Mike Norton's
BATTLEPUG

MIKE NORTON'S BATTLEPUG VOLUME 1 HC

DARK HORSE COMICS

All the high fantasy of an Edgar Rice Burroughs' tale with five times the ridiculous oversized animals, *Battlepug* delivers humongous harp seals, gigantic gophers, titan toads, burly beefcake, and, of course, pugs. This is the epic tale of child sold into slavery—one who grows into a man seeking vengeance—a hero who comes to know the fierce strength of the bond between man and pug. The Kinmundian (Conan's long-lost genre-twin) and the Battlepug scamper where mortals fear to tred and nip at the very heels of the sorcerer who massacred the warrior's village.

What you see is what you get—brawling barbarians and bug-eyed battle mounts. Wonderfully, it's not just an awesome premise; the execution is top-notch. Many readers remember Mike Norton from his work on *Queen & Country*, *Runaways*, and *Young Justice*. He's got a pro-league colorist to match his writing and his line art: Allen Passalaqua who's been working on *JSA* and *Detective Comics*. This incredibly talented pair has put the best possible finish on a project that's pure fun.

So mount up, Pug-riders. Onward, to Adventure!

GARFIELD #1

BOOM! STUDIOS/KABOOM!

He's orange. He loves lasagna. He is not too much unlike me, only I'm not orange. He sang, he danced, and loved to take a nap. Garfield was one of those characters I loved to read every Sunday in the newspaper's funny section. Fun fact about me: my immense love of Italian food has earned me the nickname "Garfield" from more than one person.

New from KaBOOM!, BOOM! Studios' kid-friendly imprint, comes an ongoing series featuring everyone's favorite feasting feline. Illustrated by Gary Barker, *Garfield* strip cartoonist, everyone's joining the adventures for this new ongoing series: Jon, Odie, and hopefully everyone's favorite adorably annoying kitten, Nermal. I'm looking forward to seeing Garfield again drawn in the style of the newspaper strips, with all my favorite characters!

TRIO #1

IDW PUBLISHING

There are a few runs in collection that I find myself revisiting time and time again. Simonson's *Thor*, the O'Neil/Adams *Batman* stories, Claremont's *Uncanny X-Men*, and John Byrne's run on *Fantastic Four*. Very few creators have been able to tell truly captivating stories with Marvel's First Family and even fewer have been able to sustain long runs on the title. Byrne understood what made the FF tick and almost any issue penned by him is a virtual "how to" of super hero comic storytelling.

Well, this spring it looks like Byrne is returning to his roots with the release of his new IDW book *Trio*. Known to the world as Rock, Paper, and Scissors the Trio should bring many reader's favorite aspects of Byrne's superhero team dynamics to life once again. Previews of the interiors are a testament to the fact that both Byrne's scripting and penciling are still in top form, with action sequences that are as vibrant as ever. Perusing the sneak peeks has been like catching up with an old friend and I can't wait to see what Byrne has in store for us with *Trio*. Buckle-up True-Believers! It's going to be a great ride.

MANGA MONTH

Manga, in all its many forms, is truly here to stay, having long ago settled into its own niche alongside Western-style comics and graphic novels. And while manga's history on our shores is not as long and storied as that of the American comics form which started in the late '30s of the 20th century, manga has been translated for Western audiences for over well over 25 years, with Dark Horse one of the leading importers of Japanese manga. From classics like *Lone Wolf and Cub*, *Magic Knight Rayearth* and *Oh My Goddess!* to the futuristic thrills of *Gantz, Neon Genesis Evangelion* or *FLCL*, Dark Horse has remained dedicated to manga through an individual approach to properties for audiences of all tastes. We're pleased to once again touch base with our friend and fellow manga fanatic, Dark Horse Manga Editor Carl Horn, for another chat about Dark Horse Manga, upcoming projects, and more!

MANGA MONTH: Q&A WITH CARL HORN

PREVIEWS: The landscape has changed for manga over the past couple of years. What has Dark Horse done to stay at the forefront of the manga scene, and what plans do you have for the future?

Carl Horn: Manga publishing outside Japan requires one thing that never changes — paying constant attention to Japanese titles, new and old, that would be a good addition to our publishing program. The title is the key, because if it's a title people want to read, there will be a desire for it no matter how reading formats evolve.

Those formats, of course, are where change is happening most rapidly, and after beginning our Dark Horse Digital Publishing program for manga last year with the works of Kazuo Koike, we've recently added such titles as *Hellsing*, *Trigun*, *Blood+*, *Ghost Talker's Daydream*, *M.P.D. Psycho*, *The Kurosagi Corpse Delivery Service* and *Mail*. Each individual manga series has to be approved by the Japanese licensors for digital distribution, but that approval process is part of our everyday, ongoing efforts — so if a Dark Horse manga you like isn't yet available digitally, the chances are good we're working on it.

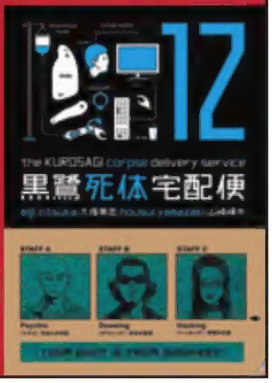
GHOST TALKER'S DAYDREAM

_P:_ Which titles have been the biggest successes this year?

CH: Our most successful manga in this last year have been the CLAMP and *Evangelion* books. As you may know, Volume 10 of *Neon Genesis Evangelion: The Shinji Ikari Raising Project* was at the top of the *New York Times* manga charts for the week of January 29. It's worth stopping a moment to note the success of those books in a digital age, bought in most cases by readers who have grown up with the Internet. We owe that success to active support from the fans, but I believe it also shows that there is a continuing desire for both physical books and digital formats; that digital is a matter of expanding reader options rather than limiting or replacing them.

_P:_ What are some of your personal favorite titles?

CH: To be honest, each book is my favorite as I work on it — and I think that's a good approach for an editor to take because that book is going to be, or could become, some reader's favorite out there. The manga we release all had readerships in Japan, after all, so you start from the knowledge that they appeal to people. You need to try and understand that appeal, not only for the sake of a good English-language edition, but because it may teach you something new about the original series and its context.



For example, as a longtime fan of *Neon Genesis Evangelion*, a series with an often dark and cryptic reputation in North America, I was a little surprised at first by the lighter, rom-com approach taken by its spinoff, *The Shinji Ikari Raising Project*. But what's interesting is that *Shinji Ikari* is arguably the most well received single spinoff of the entire *Evangelion* phenomenon in Japan. The truth is, many *Evangelion* fans can switch modes and appreciate the series either way — serious

or funny. The main characters are such icons by now that it's as if the fans wish them happiness. Since that kind of alternate world was a key part of the TV series' much-debated ending, in a way, *The Shinji Ikari Raising Project* is in fact true to the ideas of the original *Evangelion*, even though it's a comedy.

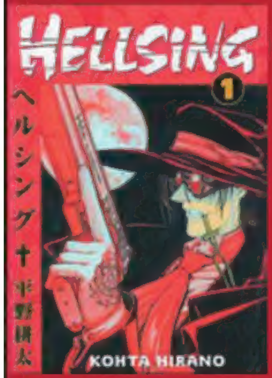
***P:* What can you tell us about upcoming projects?**

CH: You should hear announcements about at least five new manga from us (and maybe more!) as we move later into 2012 — as a teaser, fellow manga editor Philip Simon has authorized me to say that one of those five is from *Blade of the Immortal* creator Hiroaki Samura…

CLAMP
Cardcaptor Sakura

All our regular series are continuing, and look out for the long-awaited return of *The Kurosagi Corpse Delivery Service* when volume 12 hits stores March 28. Our omnibus of *FLCL*, the manga version of the anime Adult Swim once said "will change your life," is out May 16, with new content including an SFX translation, color pages, pinups and bonus strip. In September is Book One of our new CLAMP omnibus project, *Angelic Layer*, which was the prequel to *Chobits* and a represented a major turning point in their art style. The omnibus collections of *Magic Knight Rayearth* conclude in April, with the sequel story *Magic Knight Rayearth 2*, and *Cardcaptor Sakura Book Four* is out in September — ending in a blaze of bonus color pages, as CLAMP gave us an additional dozen pieces to include, for a total of forty-one paintings!

***P:* Much has been made of the division between readers of manga and Western comics — conventional wisdom being that a fan of one generally doesn't read the other. What titles would you recommend that might appeal to someone who's more of a fan of American/Western comics?**



CH: Dark Horse has published manga almost as long as we've published comics, so we personally have never believed in a wall between the two. A lot of comics fans used to look to manga for science-fiction action epics, such as *Akira* and *Ghost in the Shell*. I wrote a recent DH blog post saying if you miss manga like that, read Dark Horse's current series *Eden*, a sharp and political cyberpunk saga that's one of the best-written manga of the past decade. Katsuya Terada's *The Monkey King Volume 2*, out in April, is a rare example of a manga painted in full-color. You might call it an Asian take on *Conan*-style barbarian adventure, and its style reminds me of both the weird fantasy of Rich Corben and the sardonic humor of Eric Powell.

Oh My Goddess!

Just the other day I got a letter from a gamer reading our *Mass Effect* comics, who, knowing that we also publish *Valve Presents*, demanded to know this: if the *Oh My Goddess!* characters were to portray the cast of *Team Fortress 2*, who would be who? I did my best to answer... but honestly, that's just the kind of crossover fan we're glad is reading Dark Horse titles! And that gets back to what I said about *Shinji Ikari* — that fans have a larger conception of the characters they like than can be expressed by any one book, series, continuity or even universe. There's no way you can fit it all into just "manga" or "comics," so Dark Horse publishes both!
